Principal Certification ONLY

Mission Statement

The Principal Certification Only Program is designed for those who already hold a Master's Degree and are seeking principal certification. The program provides opportunities for students to learn and apply knowledge, skills, and dispositions set forth in National Educational Leadership (NELP) standards.

Students will work in informal cohorts to apply educational leadership knowledge and skills to current school issues, often in actual school settings.

Students who complete the educational leadership program are eligible to apply for Texas Principal Certification upon satisfactory completion of the TExES examination and two years of teaching experience.
