IMPORTANT

Please include this application with the following information when making application:

1. A letter of recommendation from two of the persons listed above (one must be an art instructor).
2. A copy of your high school transcripts from all high schools attended.
3. Your ACT and SAT scores, if available, however exit TAKS scores must be included.
4. A portfolio of work and/or slides of photographs of your best work must accompany this application. Actual work is best.

All scholarships are awarded for one academic year only; therefore, scholarship recipients must reapply every year.

Please comply with the following guidelines for the submission of your portfolio:

1. The portfolio will consist of no less than five or more than ten actual completed works of art. Work must be matted or mounted, and/or framed as appropriate.
2. It is in the best interest of the applicant to include both two and three-dimensional work if possible. All works must have been completed in the past two years. Emphasis should be placed on most recent work.
3. Slides may be submitted, in addition to the maximum number of actual art works. However, they will not be accepted in place of completed work **unless** a prospective student making application (prior to enrolling) is from a geographic distance, which precludes transporting a portfolio to Midwestern State University. Such (a) student(s) may submit their portfolio in slide form.

*****Recipients will be notified by phone or mail*****
