ACKNOWLEDGMENTS

The department faculty award each scholarship for one semester. Scholarships may be renewed if students meet all the conditions for renewal. Applicants understand that meeting the minimum criteria does not guarantee their selection for scholarships, that their transcripts will be checked for verification, that their names will be announced publicly at the department's annual awards dinner, and that their names may be submitted to local media and may be published/aired.

Those selected for scholarships agree:

1. to remain enrolled in a minimum of 12 hours (unless you are in your final semester).
2. to remain enrolled in at least one mass communication class each semester.
3. to be on record as a mass communication major.
4. to maintain a 3.0 GPA overall and a 3.0 GPA in all courses for the major and minor. If grades fall below acceptable levels, continuation money can be debited from the student's account.
5. to refrain from actions unbecoming of a scholarship recipient.
6. to provide thank you notes to donors within two weeks of notification. YOUR SCHOLARSHIP WILL BE CANCELED WITHOUT FURTHER NOTICE IF YOU FAIL TO MEET THIS DEADLINE.
7. to submit the required Declaration of Relationship to Board of Regents form.
8. to help with arrangements for the department's annual awards dinner, to be held at the end of spring semester.
