The degree Bachelor of Music in Instrumental Performance is 122-126 hours, not including remedial coursework. The student should understand that dropping, failing, or having to retake any coursework will make it difficult to graduate in four years. Students should attempt to pass the piano proficiency by the end of the fourth semester. Continuous enrollment in piano class or AMUS 1231 must be maintained each semester until the piano proficiency is completed. **No grade below C in the major area will be accepted toward graduation.** Music courses are not offered during the summer terms, so it is recommended that students take core classes during those terms as needed. Advanced electives must be MUSC 3xxx level or above.
