THANK YOU

I'd like to extend my appreciation to the faculty and staff for the great retirement party! The beautiful watch is just unbelievable. I have enjoyed the great experience of working at the Vinson Health Center. I would like to express my appreciation for the greatest bosses anyone could ever have the pleasure to work for. Special thanks to Dr. Howard Farrell, Dr. Keith Lamb, Dr. Joey Greenwood, and Matt Park. Thank you for the opportunity to work at this great facility! I will always have a special place in my heart for Midwestern State University.
