CAMPUS NEWS

Library Computer System Upgrade

From December 21 through January 2, Moffett Library will be conducting a major upgrade of its computer system. During this period, searching and article linking through Primo may be limited. Direct access to databases will not be affected. To access the library's databases directly please use the following address:
http://library.mwsu.edu/research/tbl_databases_list.asp

In addition, Primo users who log in to use the "My List" feature should be aware that existing lists will not transfer to the new version of Primo. To ensure that your lists are not lost, you may log in to "My Lists" and check the box next to any item you want to retain and then email them to any email address. Emailing of "My Lists" must be completed by noon, December 21.

We apologize for any inconvenience this may cause and thank you for your patience. We are happy to answer any questions/concerns about this transition: Daniel Winslow, Systems Librarian, daniel.winslow@mwsu.edu, ext. 4169; or Terri Decker, Cataloging Librarian, terri.decker@mwsu.edu.

THANK YOU

I would like to thank everyone for the well wishes, thoughts, prayers, and the surprise baby shower and gifts for me and my grandson, Devin. I am truly overwhelmed and feel blessed to work with such a great group of people. Thank you all from the bottom of my heart! – *Michelle Wells*

Thank you to everyone who contributed to the Food Bank and to the MSU Burns-Fantasy of Lights during the MSU Hardin Holiday Party. We are pleased to announce that a total of \$38.02 and eight grocery sacks of food were collected. Thank you also to the Hardin Building employees who provided the wonderful food. – *Human Resources*
