CAMPUS NEWS

Email Settings Changes

Effective February 1, Information Technology changed the settings on all campus mailboxes. The following email policy will be in place:

- When a mailbox reaches 400 MB, notification messages will be sent that the mailbox is getting too large.
- If a mailbox exceeds 800 MB, the system will automatically stop allowing mail in or out of the mailbox until the mailbox has been archived to a lower size.

Thank you for your cooperation with this important effort to help keep the mail system stable and functioning as efficiently as possible.

THANK YOU

Thank you to everyone who sent food, flowers, cards, prayers, and well wishes during the recent loss of Arthur Orr, father of Cindy Crosley (Financial Aid) and Tanya Jordan (Aramark Campus Dining) and spouse of Norma Orr (Aramark Campus Dining). Your kindness has helped our family as we try to move through this difficult time.
