With all of the hard work, we were able to collect 188 donors for the National Marrow Donation Program through Cook's Children's Hospital. We especially want to thank Leslee Ponder and Dominique Calhoun for assisting with the planning, advertising, and set up for the drive. We also want to thank the Student Nursing Association members Nicole Kaufhold, Whitney Brazzel, Amanda Liggitt, and Nolan Gann, who came out during our evening drive to volunteer their expertise in getting the donations for the drive.
