World Book Night

On Tuesday, April 23, Moffett Library will join with Wichita Falls Public Library for its first World Book Night(WBN). WBN is an annual celebration dedicated to spreading the joy of reading, person to person. Each year on April 23, tens of thousands of people go out into their communities and give half a million free World Book Night paperbacks to light and non-readers. In 2012, World Book Night was celebrated in the U.S., the UK, Ireland, and Germany. World Book Night is about giving books and encouraging reading in those who don't regularly do so. But it is also about more than that: It's about people, communities and connections, about reaching out to others and touching lives in the simplest of ways — through the sharing of stories.

Moffett Library will participate with having friendly staff approach total strangers and share both a free book and the power storytelling still has in a digital world. Don't be afraid when you see us. We come in peace. Contact Andrea Williams at ext. 4698 for more information. Stop by the library and see what book was chosen.

Retirement Reception

The College of Science and Mathematics will honor Marsha May's 31 years of service to MSU with a retirement reception from 2-4 p.m. Wednesday, May 1, in CSC Kiowa.

Poster Presentations

Students from Dr. Kristen Garrison and Brittany Norman's ENGL 1123 classes are engaging in group research projects that explore ways in which the student experience at MSU could be improved. They will present their findings via poster presentations from 11 a.m.-noon and 1-2 p.m. Friday, May 3, on the second floor atrium of Prothro-Yeager. The campus community is invited to drop in, peruse the posters, hear the students' ideas, and offer feedback. Refreshments will be provided. For more information, contact Brittany Norman at Brittany.norman@mwsu.edu.

Continuing Education in May

The following classes/conferences will be available through MSU's Center for Continuing Education beginning in May:

- Excel, Beginning
