## In the Spotlight

**The Star Award** recognizes Facilities Services employees who take pride in their work and give outstanding service to the campus. These employees are recognized with a certificate posted in their work space as well as a unique copper mustangs cutout that can be displayed on desks and/or in the Daniel Building front office. Recipients on June 20, 2013 were:

#### **Billy Ray Jackson, Custodian**

Billy Ray brings a wonderful attitude to work with him every day while he unlocks MSU for faculty and students. His consistency provides each of us with a benchmark for customer service and dependability.

#### **Cindy Richards, Custodian**

Cindy does a great job in the Ferguson building. She is always willing to do whatever is asked of her. As a team player, she shared her knowledge of EURECA with her co-workers to help everyone become familiar with this new part of the university's plan.
