Film Series: *The Intouchables*

Continuing Education's Film Series and Dr. Mitzi Lewis will present *The Intouchables* (2011) at 7 p.m. Tuesday, September 17, at the Wichita Falls Museum of Art at MSU. *The Intouchables* is a French comedy-drama about friendship, trust and human possibility. It has broken box office records in France and across Europe. Based on a true story of friendship between a handicapped millionaire and his street smart ex-con caretaker, the film depicts an unlikely camaraderie rooted in honesty and humor between two individuals who, on the surface, would seem to have nothing in common. This film is rated R and presented with subtitles. Admission is free with donations welcomed. For more information, contact the Center for Continuing Education at ext. 4756.

America's Music: *The Blues & Gospel Music*

Midwestern State University will host a screening of *The Blues and Gospel Music*, the first film in the series, *America's Music: A Film History of Our Popular Music from Blues to Bluegrass to Broadway*. Assistant Professor of Music Alan Black will moderate the discussion after the film. Gospel singer Howard Wherry will perform after the discussion. The film will begin at 7 p.m. Thursday, September 19, at the Wichita Falls Museum of Art at MSU. Admission is free. For more information, call MSU Librarian Dr. Clara Latham at ext. 4757.

Moffett Library Tours

Moffett Library will provide tours of the facility on the following dates:

- Wednesday, September 18 – 1 p.m.
- Thursday, September 19 – 11 a.m.

Contact Allison Breen at ext. 4758 for more information.

Campus News

Campus Recycling Efforts

Facilities Services would like to remind everyone of the campus' recycling efforts:

- The orange dumpsters outside the Clark Student

Center (southwest corner), McCullough-Trigg (southeast corner), and Dillard College of Business Administration (northeast corner) are available for recycling many items such as aluminum, newspapers, plastics (no. 1-7), glass, cardboard, milk jugs, tin, and steel. Some of the few exceptions are Styrofoam, food, wood, and electronics. Separation of the trash by material type is NOT required in these dumpsters.

- Athletics (Ligon 134) accepts inkjet and laser cartridges, as well as small retired electronics such as digital cameras, MP3 players, GPS devices and cell phones.
- The Moffett Library recycles newspapers (north side of the building).
- There is a clothing and shoe recycling dumpster (blue) outside McCullough-Trigg (southeast corner).
- Athletic shoe recycling is in the maroon bin located inside the Student Wellness Center (across from the main desk).
- Hydration (reusable bottle fill) stations are located in the Clark Student Center, Hardin South, Prothro-Yeager, Bolin, and the Student Wellness Center.

Please make use of these opportunities whenever possible.

Mailing Lists, E-mail List, etc.

Making contact with people helps to maintain good relationships. To save you time and promote efficiency, the Office of University Development keeps track of all mailing and e-mail lists for the university (alumni, parents, businesses, friends, faculty, staff, and retired employees). All information is saved in our database of more than 73,000 records and is maintained by a full-time staff member dedicated to keeping information updated. Our lists can help you send your correspondence more efficiently:

- Newsletters
- Updates
- Surveys
- News
- Etc.

We are available to help with your next list. We do the work for you, making it easy to use and available in an Excel file to merge. Please contact Patricia Lowry at ext. 4236 or by e-mail patricia.lowry@mwsu.edu for all your list requests.

Campus Medical Emergencies

Each semester the campus experiences situations involving students which require medical intervention. If a student becomes ill or injured but capable of seeking medical treatment, they should be sent to the Vinson Health Center. Any situation in which a student becomes ill or unconscious and is unable to seek medical treatment without assistance should be considered an emergency. Call 911 for all emergencies. After notifying the

ambulance, call the campus police at 397-4239 and the Vinson Health Center at 397-4231.

Calling 911 will activate the emergency response system. You will be asked the following information:

Location (specific building, room number, street address).

Nature of emergency.

Phone number where you can be called back.

Stay on the line until all necessary information is recorded.

An ambulance will be dispatched to the emergency site, and depending on the medical priority, a First Responder Unit (Wichita Falls Fire Department) may also be dispatched from the nearest available location by American Medical Response Ambulance (AMR). This will ensure trained emergency medical personnel arrive without delay. Any campus emergency should be sent directly to the hospital of the student's choice. Police personnel may be able to provide some assistance with crowd control until the ambulance arrives.

The Vinson Health Center functions as an outpatient clinic and is not equipped to provide emergency care. The staff can give advice as to temporary care pending arrival of an ambulance.

Midwestern State University does not have any contract with the local hospitals to provide services to MSU students. Any hospital charges incurred will be the responsibility of the student. Charges may be incurred if an ambulance is dispatched and services provided at site (person refuses transport). The Vinson Health Center may have funds available to assist with payment of ambulance charges if the student was transported. There is no assistance with charges if the student refused transport. The student should be told to check with the Vinson Health Center concerning the procedure to follow to obtain assistance.

Jobs

EEO/ADAAA Compliance Employer

Residence Hall Maintenance Technician

Department: Housing and Dining Services

Starting Date: As soon as possible

Starting Salary: \$1,988 monthly, plus benefits

In the Spotlight

Terry Patton, Dean of the Dillard College of Business Administration, was elected president of the Government and Nonprofit Section of the American Accounting Association (AAA) at its annual meeting in Anaheim, Calif., in August. Founded in 1916, the AAA is the largest community of accountants in academia with members worldwide. Its mission is to further the discipline and profession of accounting through education, research, and service. The government and nonprofit section serves accounting professors, who specialize in researching or teaching accounting and financial reporting for state and local governments, the federal government, and nonprofit institutions.

John Dement, Associate Professor of Theatre, presented "Theatrical Secrets to Enhance your Presentation" at the COPLAC Annual Conference at Shepherd University, in Shepherdstown, W.V. in June. In July, he presented "Thinking in Black and White: Staging a Monochromatic Production" at the Texas Educational Theatre Association SummerFest at Baylor University, in Waco, Texas.
