*Wichita Falls Museum of Art at MSU...*

Live at the Lake: Ashton Gustafson  
and Kevin Rhine

6:30 p.m. Priddy Pavilion

## Around Campus

### Live at the Lake:

#### Ashton Gustafson and Kevin Rhine

The Wichita Falls Museum of Art at MSU's Live at the Lake summer concert series presents local singers Ashton Gustafson and Kevin Rhine from 6:30-8:30 p.m. June 25 at the Ruby and Robert Priddy Pavilion. Admission is free. Bring blankets or lawn chairs. Limited menu items from food truck Gypsy Kit On the Go will be available for purchase. For more information, call the museum ext. 8900.

## Mark Your Calendar

### Mustangs Orientation and Registration Experience (M.O.R.E)

Students who participate in an early orientation session will be eligible to take advantage of early advising and registration on June 30 and July 2. Session space is limited to 150 students. The day prior to each session will be available for students to make TSI Assessment arrangements and check in to housing if staying overnight. Evening entertainment will be provided the evening prior to each session. Orientation session days will consist of an orientation program, student services fair, advising and registration for students (who have not previously completed advising). Each session will be open to any student regardless of transfer hours or term (Summer I/II or Fall), though targeted promotions for transfer students will encourage participation in one of five events. A separate parent/guest program will be available for each session, as well.

## In the Spotlight

**Fred Stangl**, professor emeritus of biology, co-authored a paper with colleagues Cody Thompson of the University of Michigan and Robert Bradley of Texas Tech University, titled *Ancient Hybridization and Subsequent Mitochondrial Capture in Ground Squirrels (Genus Ictidomys)*. The paper was published in *Occasional Papers* vol. 331 from the Museum of Texas Tech University Natural Science Research Laboratory.
