Campus Publishers Visitors Guide 2017

The advertising campaign for the second annual edition of the MSU Official Visitors Guide is underway. The University designs, writes, and distributes the guide to prospective students, parents, and visitors to the school and it is distributed around campus and throughout the Wichita Falls community. Campus Publishers has an advertising discount of 20 percent off the standard rates. Note that this rate includes the creation of your ad if necessary. A Campus Publisher representative may contact you in the coming weeks to determine

your interest in advertising in this unique visitors guide. For more information, contact Julie Gaynor at ext. 4352 or Randy Goldner, Associate Publisher, at 1(800) 807-1013 ext. 102.

From the Bookstore

Bookstore summer hours are 7 a.m.-6 p.m. Monday-Thursday and 8 a.m.-12 p.m. Friday. Stop by and shop our huge clearance department! We can also order special office supplies which arrive within two to three days.

IN THE SPOTLIGHT

Roberto Fuertes-Manjón, Professor of Spanish, recently presented the paper, “Conciencia identitaria y reivindicación nacionalista en la novela filipina La oveja de Nathan, de Antonio Mercado y Abad,” at the Global South, Latin America, and the Luso-Hispanic World held in Seoul, South Korea.

Dr. Bingyang Wei, Assistant Professor of Computer Science, participated in the SEED (SEcurity EDucation) Workshop May 30-June 2 at Syracuse University where he attended several lectures and completed 15 hands-on coding labs. The SEED project was initially funded by the NSF CCLI program as a Phase-I project in 2003, and was then funded by the same program as a Phase-II project in 2007. The SEED labs are used in security courses in the Department of Electrical Engineering and Computer Science at Syracuse University and have been adopted by approximately 50 universities and community colleges around the world.

Dr. Frank B. Wyatt, Professor in the Department of Athletic Training and Exercise Physiology presented two scientific papers at the National Meeting of the American College of Sports Medicine in Denver May 30-June 1. The first presentation was titled "Effects of Energy Drink on Metabolic Parameters and Exercise Performance Following Basketball Game Simulation." Co-authors included **Dr. Soon Mi Choi**, Dr. D.S Yoo and graduate student **Kristen Russell**. The second presentation was titled "Time Course for Physiological Adaptations with Hypobaric Exposure: A Research/Pedagogical Project." Co-authors included the following students: **Carpenter Wyatt, Elizabeth Wilson, Destiny Zynda, Lucas Veitenheimer, Nicole Cochran**, and **Kristen Russell**. The abstracts from these presentations will be published in a supplement of the scientific journal, *Medicine and Science in Sport and Exercise*.
