## CAMPUS NEWS

### WMFA Participates in Blue Star Museums Program

The Wichita Falls Museum of Art at MSU Texas announced its participation in the ninth annual Blue Star Museums program, a collaboration among the National Endowment for the Arts, Blue Star Families, the Department of Defense, and more than 2,000 museums across America. These museums offer free admission to the nation's active duty military personnel and their families from Memorial Day through Labor Day.

Although the WFMA does not charge admission fees, it is proud to be a Blue Star Museum to express appreciation to military for their service and to share its cultural

treasures. Blue Star Museums also provides a way for military families to feel connected to their community, especially for those families who have recently relocated through a change of station.
