Campus News

Print Shop Closed for Inventory

The University Print Shop will be closed for inventory Friday, August 30. While the office will not be open, staff will be answering phones and checking email.

Around Campus

Walking Tour of Moffett Library

Moffett Library will offer walking tours of its newly renovated second and third floors. Tours are scheduled for 10 a.m. Tuesday, August 27, and Friday, August 30; 2 p.m. Wednesday, August 28, and Thursday, August 29. New spaces and services will be highlighted. Tours begin at the temporary entrance to the Moffett Library. For more information, contact the library at ext. 4204.

MOSAIC Open House

The MOSAIC Cross Cultural Center is hosting an open house for current students to learn about events for the fall semester and to sign up for programs. The open house will begin at 3 p.m. Thursday, August 29, in Bea Wood 131. Visitors can also grab a cool treat from Bahama Buck's. For more information, contact the MOSAIC Cross Cultural Center at ext. 4947 or email mosaic@msutexas.edu.

WFMA Weekend Workshops

The Wichita Falls Museum of Art at MSU Texas will host a free walk-in art lesson on cyanotype printing from 1:30-4:30 p.m. Saturday, August 31. The lesson is part of Weekend Workshops, free walk-in art lessons for the public through August 31. For more information, contact the WFMA at ext. 8900.

Continuing Education: Brick Stitch Circle Earrings

The Center for Continuing Education will host a beadwoven jewelry class from 3-6 p.m. Saturday, August 31, in Clark Student Center Caddo. Learn how to use beads, needle, and thread to create a piece of jewelry from start to finish. The project for this class will be brick stitch hoop earrings, with instruction in creating wire-wrapped loops and earring assembly. The instructor will be Tamara Allison. Cost is \$40 with all materials included. For more information,

contact Continuing Education ext. 4307 or email lorraine.parker@msutexas.edu.

IELI Book Nook

Do you like free books? Do you have extra books in need of a new home? The Intensive English Language institute is here for you. If you're looking for something to read, please stop by the IELI corner book nook just outside the IELI office (Hardin South 216). If you have books to donate, please call Heidi Hakimi-Hood at ext. 4685 for details. Happy reading to all!

Mark Your Calendar

Labor Day Cookout

Students will enjoy a traditional cookout on Labor Day with great food, music, games, and prizes! For more information, contact MOSAIC Cross Cultural Center at ext. 4947 or email mosaic@msutexas.edu.

Continuing Ed: Sign Language, Beginning & Intermediate

The Center for Continuing Education will offer both beginning and intermediate American Sign Language classes taught by certified instructor Melinda Nelson. The beginning class will meet for eight sessions at 6 p.m. every Tuesday beginning September 3 and ending October 22. The cost is \$80. The intermediate class will meet for eight session at 7:30 p.m. every Tuesday beginning September 2 and ending October 22. The cost for the intermediate class is \$80. For more information, contact Continuing Education at ext. 4307, or email lorraine.parker@msutexas.edu.

Part-Time Job Fair

The Career Management Center will host a part-time job fair from 11:30 a.m.-1 p.m. Wednesday, September 4, in the Clark Student Center. There are currently 22 employers registered to attend this event.

In the Spotlight

Rodney Fisher and **Mandy Sedden**, Assistant Professors in The Shimadzu School of Radiologic Sciences, produced three continuing education articles for the National Healthcareer Association: "Who's Taking that X-ray? The Roles of the LXMO and RT;" "Advanced Medical Imaging Modalities;" and "Radiation Protection and Safety."

Fisher also presented on two topics at the North Texas Radiologic Technologists' Society Summer Fling on August 17 in Dallas: "What Do Those T and Z Scores Mean: A Bone Densitometry Primer" and "Radiation Myths and Martyrs."

Beth Vealé, Professor and Interim Chair of The Shimadzu School of Radiologic Sciences, presented five hours of continuing education to the South Texas Association of Radiographers on August 17 in South

Padre Island. Her topics were "Radiography and Terrorism," "Osteogenesis Imperfecta," "Ethics for the Radiographer," and "Critical Findings on Abdominal Radiographs."

Jessyca Wagner, Assistant Professor in The Shimadzu School of Radiologic Sciences, published a book chapter with several Idaho State Colleagues titled "Using Simulation in Radiographic Science Education in Teaching, Learning, and Leading with Computer Simulations."

Whitney Snow, Associate Professor of History, presented "Robin Hood, Italian Style: Banditry in Lina Wertmuller's Summer Night" at the 12th Biennial Conference of the International Association for Robin Hood Studies which convened at the University of Montevallo on May 14-17. On August 1, Snow presented "Flashy Lady: Mafia Moll Virginia Hill's Kefauver Hearings Testimony and her Challenge to Traditional Notions of Femininity" at the 112th Annual Meeting of the Pacific Coast Branch of the American Historical Association which took place at the University of Las Vegas.

Scott Meddaugh, Professor of Geosciences, presented two conference papers at the 2019 American Association of Petroleum Geologists (AAPG) Annual Convention and Exhibition (ACE) titled "Production Forecasting: Improved Understanding of Why Sparse Data, Static and Dynamic Reservoir Modeling Limitations, and Human Bias Leads to Optimistic Recovery Forecasts" and "An Updated Semivariogram 'Atlas' for Carbonate Reservoirs." The meeting was in San Antonio. Meddaugh has been selected as the Vice Chair – Technical for the 2020 AAPG ACE meeting, which will be held in Houston in May. The ACE is AAPG's flagship annual technical meeting.

Continued on page 3

Meddaugh also accepted an invitation from the Society of Petroleum Engineers (SPE) to serve as Chair for the Reservoir Geology and Geophysics Subcommittee for the 2020 SPE Annual Technical Conference (ATCE), which will be held in October in Denver. The ATCE is the SPE's flagship technical meeting. Meddaugh also served as an invited preliminary judge for the 2019 Jackson Hole Science Media Awards – Best Earth and

Space Science category. Meddaugh has been invited as a preliminary and/or finalist reviewer for the Jackson Hole Media competition since 2014 for various film categories including Earth and Planetary Sciences, Applied Science and Technology, Elephant Science and Big Cat Science.

In the Spotlight

Dittika Gupta, Associate Professor of Curriculum and Learning, published an article “Bridging distances: Professional development for higher education faculty through technology-facilitated lesson study” with mathematics colleagues from San Diego University, Iowa University,

and Bucknell University in the *Journal of University Teaching and Learning*. In this paper, the authors share about the process of technology-facilitated lesson study aimed at professional development of higher education faculty across geographical barriers and creating a virtual community of learning. This article extends lesson study, traditionally done in K-12 setting, to higher education.

Soon-Mi Choi, Associate Professor and Graduate Coordinator in the Department of Athletic Training & Exercise Physiology, was invited to the 2019 31th Seoul International Sport Conference, commemorating the 1988 Seoul Olympic Games. The conference was at Seoul

National University, Seoul, South Korea, August 23-24. Choi presented “How dancing can help individuals with Alzheimer’s disease: Thinking behind the doing of dance.”

Heidi Hakimi-Hood, Program Specialist in the Intensive English Language Institute (IELI), co-presented “Collaborative Editing Across American and British Specialties on a Transatlantic Anthology,” at the Symbiosis Transatlantic Literatures Conference, hosted by the University of Dundee, Scotland, on July 12. Co-presenters were Andrew Taylor (University of Edinburgh) and Linda Hughes and Kaylee Henderson (Texas Christian University).

BOUNDLESS OPPORTUNITIES

2018-19 Faculty/Staff Campaign Update

To date, 344 employees, or 51.42%, have given to the campaign. Learn more at the [Boundless Opportunities webpage](#).
