surrounding sexual assault, such as victim-blaming. The Denim Day campaign was originally triggered by a ruling by the Italian Supreme Court. A rape conviction was overturned because the justices felt that since the victim was wearing tight jeans, she must have helped her rapist remove her jeans, implying consent. The following day, the women in the Italian Parliament came to work wearing jeans in solidarity with the victim.

The Title IX office is asking for \$3 donation if you choose to wear jeans, [which can be made online](#). Proceeds will go to First Step Inc. Please post pictures of your department members wearing denim using #mustangsindenim. One department will be picked to win a prize. Contact the Title IX office at ext. 4213 for more information.

Final Friday Concert
