## CAMPUS NEWS

### Engineering students complete Senior Design challenge

Senior Design is a program that challenges graduating engineering students each year at MSU Texas. It's about preparation, dedication, and teamwork. It can be fun. Or stressful. It depends on the day. Three engineering majors at the McCoy College of Science, Mathematics & Engineering recently shared their experiences in the program. ## MARK YOUR CALENDAR

### Women's Football Clinic

The 13th Annual Midwestern State Women's Football Clinic will begin at 6:30 p.m. Wednesday, Aug. 3, at Sikes Lake Center. The event, hosted by the MSU football program, provides lots of fun for area women who want to learn more about the X's and O's. The clinic features a catered dinner with special guests, presentations from members of the MSU coaching staff, fashions from football players, and a question and answer session from coach [Bill Maskill](#) and the football staff. The event raises funds for the Bill Maskill Family Foundation, which provides scholarships to at-risk kids who wish to join sports teams. For more information about the event, [read the full story](#) on the MSU Texas Athletics website.

### Recent Acquisitions to the WFMA Permanent Collection

The Wichita Falls Museum of Art at MSU Texas will display recent acquisitions to the WFMA Permanent Collection through purchases made possible by the Collectors Circle and individual donations.
