These town hall meetings allow time to update the MSU faculty and staff on challenges and opportunities, how we ensure adequate resources to invest in activities to support students, faculty and staff, and achieve overall growth. Your thoughts, questions, and ideas will be welcome as we plan the new fiscal year, and how we move forward together to best serve our students, while continuing to make MSU Texas a great place to work.

Mark your calendars to attend one of the two conversations at 10 a.m. Wednesday, April 5, and 3:30 p.m. Monday, April 10. Both meetings will be held in Clark Student Center Comanche Suites. Call ext. 4275 for more information.
