<b>College Tenure and Promotion Committees</b>		<b>Term Expires</b>	<b>College or Department</b>
<b>Purpose:</b>	To review existing policy and procedure with respect to tenure and promotions. To review recommendations submitted by the Chairs for faculty tenure and/or promotion and to make appropriate recommendations to the Dean based on this review. The committee's report will be a statement of its findings as to whether the faculty member meets the stated criteria for promotion and/or tenure based on the documentation presented by the faculty member.		
<b>Personnel:</b>	Each College Tenure and Promotion Committee will consist of at least three senior, tenured members of the faculty. Whatever the total, there must be an odd number of members on the College Tenure and Promotion Committee. At the discretion of the College Dean, the committee may be either elected by the college faculty or appointed by the College Dean based on recommendations from the College Council. Representatives will serve two-year staggered terms. The members must hold at least the rank of associate professor, be tenured, and have a record of continuing professional activity. If one of those serving is being considered for promotion, an alternate will be selected to serve one year of the term. The College Dean may not serve on the committee. The Department Chair may not serve on the committee if a faculty member from that department is being considered for promotion and/or tenure. No member of the College Tenure and Promotion Committee may serve concurrently on the University Tenure and Promotion Committee. The committee will elect a Chair from among its members.

University Tenure and Promotion Committee		Term Expires	College or Department
<b>Purpose:</b>	To review existing policy and procedure with respect to promotions and tenure. To review applications for promotion and tenure including recommendations prepared by the relevant Chair, the College Tenure and Promotion Committee, and the relevant Dean and to make appropriate recommendations to the Provost and Vice President for Academic Affairs based on this review. The committee's report will be a statement of its findings as to whether the faculty member meets the stated criteria for promotion and/or tenure based on the documentation presented by the faculty member. A candidate's application may be considered only if a representative of the candidate's college is present.		
<b>Personnel:</b>	The University Tenure and Promotion Committee will consist of senior, tenured members of the faculty. Each college shall be represented by one tenured committee member for each twenty line-item, full-time positions, or major fraction thereof. All members of the committee will be elected within their college for two-year staggered terms. In a college with two or more representatives, the terms of college representatives will be staggered. No academic department may have more than one elected representative. The members must hold at least the rank of associate professor, be tenured, and have a record of continuing professional activity. If one of those elected is being considered for promotion, an alternate will be elected from that college to serve one year of the term. No faculty member can serve more than two consecutive terms. College Deans, the Provost and Vice President for Academic Affairs, or the University President may not serve on the committee. A Department Chair may serve on the committee, provided that no faculty member from that Chair's department is being considered for tenure and/or promotion. No member of the University Tenure and Promotion Committee may serve concurrently on the College Tenure and Promotion Committee. The Committee will annually elect a Chair for the next year from members not serving the final year of a two-year term and who are not likely to apply for promotion during the subsequent year.
