- Ms. Mandi Peterman, Admissions Evaluator
- Mr. Newman Wong, Staff Senate Representative

Dr. Betty Hill Stewart, Provost and Vice President for Academic Affairs, presided and the meeting began at 2:04 p.m.

Approval of Minutes

Dr. Stewart called for a motion to approve the April 2016 Minutes of the Academic Council. Dr. Johnston made a motion that the minutes be adopted; Dr. Capps seconded and the motion was unanimously adopted. (closed)

Old Business

There being no Old Business to discuss, the Council moved on to New Business.
New Business

1. Ms. Knox presented clarification on how the Office of the Registrar reports course load statuses to the Clearinghouse. No changes were made, just an expansion on the hours listed for course loads. *Information Item; no vote required. (closed).*

   **Course Load.**
   - **Fall and Spring (Undergraduate):**
     - 12 hours or above: full-time*
     - 9-11 hours: 3/4 time
     - 6-8 hours: 1/2 time
     - 1-5 3/4-hours: less than 1/2 time
   - **Fall and Spring (Graduate):**
     - 9 hours or above: full-time*
     - 6-8 hours: 3/4 time
     - 3-5 hours: 1/2 time
     - 1-2 hours: less than 1/2 time
   - **Summer Sessions (Graduate and Undergraduate):**
     - 6 hours or above: full-time
     - 4-5 hours: 3/4 time
     - 3 hours: 1/2 time
     - 1-2 hours: less than 1/2 time

2. Ms. Knox presented information on Advanced Placement Scores requirements. *Information Item; no vote required. (closed).*

   The Office of the Registrar is required to report AP score requirements to the Texas Higher Education Coordinating Board. The 84th Legislature passed House Bill 1992, “An Act Relating to the Granting of Undergraduate Course Credit by Advanced Placement Examination at Public Institutions of Higher Education”.

   HB 1992 amends Section 51.968. In establishing the minimum required score on an Advanced Placement examination for granting course credit for a particular lower-division course under Subsection (c), an institution of higher education may not require a score of more than three unless the institution’s chief academic officer determines, based on evidence, that a higher score on the examination is necessary to indicate a student is sufficiently prepared to be successful in a related, more advanced course for which the lower-division course is a prerequisite.

   The academic colleges reviewed the AP score requirements to see if changes needed to be addressed for the new 2016-2018 catalog. Two departments, Art and English, requested further discussion regarding the scores. After discussion, the department of Art decided to update their AP score to 3. The department of English decided to keep their score of 4 and agreed to track/document their students who are designated as earning AP credit for their English courses.
3. Dr. Kitchen made a motion that the following undergraduate course and catalog changes in BAAS be adopted; *Dr. Johnston seconded and the motion was unanimously adopted.* (closed)

Mission Statement

The Bachelor of Applied Arts and Sciences (BAAS) degree is designed to offer students with workforce education, vocational-technical training and/or professional experience in occupational fields the opportunity to obtain a baccalaureate degree. Such experienced professional/vocational students may obtain credit toward this degree via accredited college-level course work and/or certain types of professional and educational training. Students who pursue the degree are required to complete the academic core requirements, thirty-six hours of advanced credit that is complementary to the vocational-technical or professional area, and any additional hours necessary to meet the 120-hour university requirement as stated in the catalog.

Admission to the Program

Before a student can be admitted, the student must arrange an interview with the Director or Assistant-Director **Academic Advisor** of the BAAS Program.

BAAS students are limited to not more than twenty-five percent of their total semester credit hours in courses transferable to a program in a school of business and not more than fifteen semester credit hours in business school courses completed at Midwestern State University. However, students may select a minor in Business Administration with the approval of the Dean of the Dillard College of Business Administration. Students currently enrolled at Midwestern State University in a designated degree program who satisfy the intent of the mission statement and have at least a 2.75 g.p.a. **2.5 GPA** will be allowed to transfer to the BAAS degree program. Exceptions to this policy will be considered on an individual basis by the BAAS Director. In such cases, the
student must submit to the BAAS Director a petition letter accompanied by a letter of recommendation from an advisor in the student's current major.

Degree Requirements

All transfers from another MSU program must complete at least 12 hours under the BAAS program at MSU to be eligible to graduate from the BAAS program.

The student must complete a baccalaureate degree plan from residence and transfer credit hours by meeting the requirements as follows:

General
(See General Requirements for all Bachelor's Degrees)

Academic Foundations and Core Curriculum - 42 semester hours
(See Academic Foundations and Core Curriculum - 42 semester hours)

Option A: The Traditional BAAS Program Degree

Occupational Specialty - 39 semester hours, 24-39 semester hours, and any additional hours necessary to meet the 120-hour university requirement.

Credits toward an area of coherent specialization may be earned from community colleges, this university and other senior institutions (including elective hours), workforce education, vocational or technical schools, armed forces schools, work experiences, and non-traditional learning experiences that can be equated to college credit. To qualify for work experience credit, a student must have 3 consecutive years of full-time employment within the last 6 years. A student may be awarded 2 hours of credit for each qualifying year of job experience related to the student's occupational specialty up to a maximum of 6 hours. Credit for non-traditional experiences is granted on the basis of evaluation by the Director and the BAAS staff utilizing the National Guide of the American Council on Education (ACE) and other appropriate publications. Documentation will be placed in the student's permanent file in the Office of the Registrar. A minimum of 24 semester hours in the area of occupational specialty must be completed before the student can be accepted into the program. Cognate vocational technical courses may be accepted within the area of occupational specialty or professional development.

Computer Science - 3 semester hours

Professional Development - 36 advanced semester hours

May include 3 hours of BAAS 3113 - Internship in Public Administration Applied Arts and Sciences and will include 3 hours of BAAS 4113 - Capstone Project. The courses taken in this area will be chosen on the basis that they will give academic depth or breadth to the area of specialization or will provide substantive developmental knowledge for the student's career or personal goals.

Option B: The BAAS Program Degree with Criminal Justice Emphasis Concentration
The Criminal Justice Emphasis Concentration provides students the background to pursue employment options in the criminal justice career field. The combination of such courses as law enforcement, political science, psychology, sociology, and social work prepares those already working in the field for career advancement. For those wishing to enter a criminal justice field, the degree offers the graduate the possibility of employment in such career fields as federal, state, and local law enforcement, institutional and community-based corrections, and criminal investigations.

Occupational Specialty - 39 semester hours, 24-39 semester hours, and any additional hours necessary to meet the 120-hour university requirement.

Distinguished Professorship

Hardin Distinguished Professorship of American History
For many years, the Hardin Foundation for Wichita County has supported Midwestern State University through grants and awards. These programs include the Hardin Scholar and the Hardin Professor Awards given each year respectively to the outstanding rising junior student and an outstanding member of the faculty. Additionally, the Foundation has supported the development of a truly outstanding American History Collection in Moffett Library. In 1987, the Foundation created the Hardin Distinguished Professorship of American History.

Social Studies
The Prothro-Yeager College of Humanities and Social Sciences offers a social studies course that is limited to students who are pursuing their teacher certification with a Bachelor of Science in Interdisciplinary Studies or a Bachelor of Arts with Secondary Certification. (See Social Studies (4-8 Certificate), B.S.I.S. and History-Social Studies, B.A. with Secondary Certification (Grades 7-12) for degree requirements.)

Course Descriptions

NURS 5322 5321 - Diagnostics for Mental Disorders
2(4-4) 1 (0-4)
Prerequisite(s) / Co-requisite(s): NURS 5111, NURS 5112.
Provides foundational tools unique to the evaluation of psychiatric disorders and mental health problems and the assessment of cognitive/intellectual, emotional, socio-cultural
and spiritual health of individuals, families, groups, and communities across the life span. Focus is on understanding interdisciplinary collaboration in the comprehensive assessment of the client experiencing serious/persistent psychiatric disorders and mental health problems. The student will begin to integrate assessment findings into the formulation of diagnoses based on criteria set forth in the Diagnostic and Statistical Manual of Mental Disorders (DSM).

Other

- Ms. Lehman-Felts announced that one of the May 2016 Redwine Honors Program graduates has received a Rotary International Global Scholarship Grant. Ms. Kristin Lanier, BFA Theatre Major, will be studying Peace and Conflict at the University of Ulster in Northern Ireland beginning in fall 2016. The grant awarded is for $30,500.
- Ms. Hickman reported that Admissions is working with the CB on coordinating new changes that are coming regarding ACT/SAT scores. More information to come.
- Ms. Hickman introduced Ms. Mandi Peterman, currently Admissions Evaluator, but effective June 1, the new Assistant Director in the Welcome Center.
- Ms. Peterman provided information on an upcoming admission recruiting opportunity in Ft. Worth on June 14. A memo was sent to the academic deans inviting them to attend to meet and recruit potential students from the Ft. Worth area. She will send out a list of confirmed students and their potential majors who will be attending to the deans each Monday. Ms. Peterman is working on additional events throughout the metroplex and will send out that information at a later date.
- Dr. Brown Marsden reported that MSU has been named a GPU Education Center by NVIDIA, a computer technology company that has pioneered GPU-accelerated computing. GPU Education Centers are recognized institutions that have integrated GPU-accelerated (graphics processing unit) computing into their mainstream science and engineering curriculum. Our computer science program was recognized for its commitment to advancing the state of parallel programming education.
- Dr. Camacho announced that summer events include the Senior Show art exhibition in the Juanita Harvey Art Gallery through July 29, and the Red River Opera company will present five operas in Akin.
- Dr. Latham reported they have received 22 entrants for the Library Research Awards. The winners will be announced soon.
- Ms. Knox reported that the Office of the Registrar has completed posting grades from spring and are ready to print diplomas.
- Mr. Park announced that the Early Orientation Session on June 2 is already filled up. Additional sessions are being offered through the summer.
- Mr. Park reported that construction on the residence hall is on schedule.
- Dr. Stewart announced that the Learning Communities Workshop will be Tuesday, May 24, and Wednesday, May 25, from 9 a.m. to 4 p.m., in Dillard 101. An outside consultant, Dr. Constance Staley, will be leading the workshop and refreshments and lunch will be provided each day.
- Dr. Stewart thanked the Academic Council for their hard work in submitting the information for their new certificates, minors, and course and catalog changes this past year. These changes will continue to enrich student learning. She thanked everyone for their part in helping to make it a good year.
Adjournment

There being no other business, the meeting was adjourned at 2:46 p.m.

Respectfully submitted.

Deb Schulte
