Mission Statement

As an Adult Completion Degree, the Bachelor of Applied Arts and Sciences (BAAS) Degree offers adult learners the opportunity to complete their undergraduate degree through an expeditious and direct pathway. The multidisciplinary approach of the BAAS degree builds on adult learners' backgrounds and experiences and allows flexibility and personalization in selecting courses that match academic, career, and personal goals.

BAAS 4113 - Capstone Project

3 (0-3)

Prerequisite(s): Senior standing.

Students will produce a capstone portfolio as the culminating activity to ~~his/her BAAS work~~ **the BAAS Program**. The capstone course is designed to help the student assess ~~the~~ educational experiences in relation to career goals and the application of educational concepts to those goals. Although the portfolio should be considered a “work in progress” from the student’s first enrollment in the BAAS program, the student will enroll in BAAS 4113 only once - during the last enrolled semester.

This course is a BAAS Program requirement.

Applied Arts and Sciences,
 B.A.A.S.

Admission to the Program

Before a student can be admitted, the student must arrange an interview with the Director or Academic Advisor of the BAAS Program.

BAAS students are limited to not more than twenty-five percent of their total semester credit hours in courses transferable to a program in a school of business and not more than fifteen semester credit hours in business school courses completed at Midwestern State University. However, students may select a **minor in Business Administration** with the approval of the **BAAS Advisor and** Dean of the Dillard College of Business Administration.

A minimum of 24 semester hours **of non-core work** in the area of occupational specialty must be completed before the student can be admitted into the program. Students currently enrolled at Midwestern State University in a designated degree program who satisfy the intent of the mission statement, meet the occupational specialty hours, and have at least a 2.0 cumulative GPA at the end of

their currently enrolled semester, will be allowed to transfer to the BAAS degree program. Exceptions to this policy will be considered on an individual basis by the BAAS Director. In such cases, the student must submit to the BAAS Director a petition letter accompanied by a letter of recommendation from an advisor in the student's current major.

Degree Requirements

All transfers from another MSU program must complete at least 12 hours under the BAAS program at MSU to be eligible to graduate from the BAAS program.

The student must complete a baccalaureate degree plan from residence and transfer credit hours by meeting the requirements as follows:

General

(See General Requirements for all Bachelor's Degrees)

Academic Foundations and Core Curriculum - 42 semester hours

(See Academic Foundations and Core Curriculum - 42 semester hours)

Occupational Specialty Area - ~~24-39~~ **42** semester hours and any additional hours necessary to meet the 120-hour university requirement.

The following, although not limited, are nontraditional and prior learning experiences which may be utilized in the occupational specialty area: Vocational/technical hours from the community college; elective hours from colleges and universities; hours from joint services transcripts; ACE (American Council on Education)-accredited programs and courses; unique partnerships with licensing and certifying entities; and qualifying work experience. To qualify for work experience credit a student must have three (3) consecutive years of full-time employment within the last six (6) years. Two hours of credit may be granted for each qualifying year of work experience related to the student's occupational specialty or professional concentration, up to a maximum of six (6) hours. Credit for nontraditional experiences is granted on the basis of evaluation by the BAAS Director utilizing the National Guide of American Council on Education (ACE) and other appropriate publications and documentation. Documentation will be placed in the student's permanent file in the Office of the Registrar when the student has completed at least nine (9) semester hours in the BAAS Program.

~~Credits toward an area of coherent specialization may be earned from community colleges, this university and other senior institutions, workforce education, vocational or technical schools, armed forces schools, work experiences, and nontraditional learning experiences that can be equated to~~

All proposed changes are marked as such: deleted items are marked with a strikethrough line and new items are in bold and underlined. Italicized wording is justification or clarification from the proposing department/college.

~~college credit. To qualify for work experience credit, a student must have 3 consecutive years of full-time employment within the last 6 years. A student may be awarded 2 hours of credit for each qualifying year of work experience related to the student's occupational specialty up to a maximum of 6 hours. Credit for nontraditional experiences is granted on the basis of evaluation by the Director and the BAAS staff utilizing the National Guide of the American Council on Education (ACE) and other appropriate publications. Documentation will be placed in the student's permanent file in the Office of the Registrar when the student has completed at least nine hours in the BAAS program.~~

Professional Development Area Concentrations: 36 advanced semester hours

The BAAS Degree with General Studies Concentration
 The BAAS Degree with Adult Education Concentration
 The BAAS Degree with Childhood and Adolescent Studies Concentration

 The BAAS Degree with Healthcare Administration Concentration
 The BAAS Degree with Human Resource Development Concentration
 The BAAS Degree with Human Services Concentration
The BAAS Degree with Kinesiology Concentration
 The BAAS Degree with Liberal Arts Concentration
 The BAAS Degree with Technology Concentration

The BAAS Degree with General Studies Concentration

The General Studies Concentration is a multi-interdisciplinary approach that will allow students to design their own course of study by selecting subject areas of choice. Students are able to form a coherent specialization that is unavailable elsewhere in the university as an organized plan of study. Students are able to pursue a particular intellectual or personal interest, or complete courses as professional development, which may be employment related. Students may select no more than 15 hours of business courses through the College of Business. A graduate would be prepared to work in a wide range of careers. Employment may be found in both the private and public sectors of the workforce, or students may elect to continue on to graduate and professional studies.

Occupational Specialty - ~~24-39~~ **42** semester hours, and any additional hours necessary to meet the 120-hour university requirement.

~~Computer Science — 3 semester hours~~

The BAAS General Studies Concentration - 36 advanced semester hours

All proposed changes are marked as such: deleted items are marked with a strikethrough line and new items are in bold and underlined. Italicized wording is justification or clarification from the proposing department/college.

BAAS 4113 - Capstone Project
33 advanced semester hours of multidisciplinary courses

The 33 advanced semester hours of multidisciplinary courses taken in this area will be chosen on the basis that they will give academic depth or breadth to the area of specialization or will provide substantive developmental knowledge for the student's career or personal goals.

The BAAS Degree with Adult Education Concentration

The Adult Education Concentration is a gateway program that provides students with the background to serve an organization in the area of training and development for adults. The coursework combines strategies in adult learning, instructional system designs, best practice for adult learners regarding curriculum development, mentoring and the integration of technology into the training and development process. A graduate would be prepared for a career in training and development for ~~the military~~, civil service, business, or industry.

Occupational Specialty – ~~24-39~~ 42 semester hours, and any additional hours necessary to meet the 120-hour university requirement.
