

Student Advisory Board Application

Dillard College of Business Administration

The Student Advisory Board was formed in the Fall semester of 2009 to close the gap between faculty and students. The Student Advisory Board is committed to enriching the student experience through an intimate partnership with the Dillard College of Business faculty, business practitioners, the Wichita Falls community, and other students. The S.A.B. played a significant role in support, preparation, and facilitation of the AACSB accreditation process in the Spring semester of 2010. In this academic year, we will continue our efforts to improve the student educational experience through the implementation of various ideas and programs.

As a S.A.B. member, you will have a voice in the continued development of Dillard College as a professional business school for future generations. You will have the responsibility of meeting with the Dean, business practitioners, and faculty several times a semester. We ask for your time, energy, commitment and participation in achieving S.A.B. goals for the benefit of the Dillard College of Business Administration at Midwestern State University.

Requirements:

Applicants must maintain a GPA of 3.0 or higher and be pursuing a major within the business school. Freshman, sophomores, juniors, seniors, and graduate students are encouraged to apply.

Addendum:

Membership on the advisory board remains active until a member's formal departure from the university (e.g., graduation or a one-semester pause in enrollment). The Dean retains the discretion to revoke membership when appropriate. Membership is contingent on consistent meeting participation; members who miss more than one meeting in a semester may forfeit their membership. In addition, members are expected to maintain a strong working knowledge of campus facilities, recurring large-scale events, the academic calendar, and the university's core requirements.

Instructions:

Please complete the front and back of this application. Turn in the **completed application**, a **letter of recommendation from a Dillard faculty**, and your **resume** to **DB 272 or hannah.jones@msutexas.edu**.

*NOTE: This is fillable document.

What is your current employment status?

If so, what is your occupation(s)?

Briefly list any extracurricular activities or commitments that you are involved in. Include other interests that you may have.

As part of the application process, we ask that you provide a short answer to each of the following questions:

1. If selected, what will you contribute to the Student Advisory Board?
2. How do you plan to facilitate communication and gather feedback from the Dillard student body?
3. How would you encourage more student and community participation in events?
4. If you could have dinner with one person in today's world, who would you choose, and what would you discuss?

Please list your class schedule below:
