The BAAS Degree with Adult Education Concentration

The Adult Education Concentration is a gateway program that provides students with the background to serve an organization in the area of training and development for adults. The coursework combines strategies in adult learning, instructional system designs, best practice for adult learners regarding curriculum development, mentoring and the integration of technology into the training and development process. A graduate would be prepared for a career in training and development for civil service, business, or industry.

Occupational Specialty - 42 semester hours, and any additional hours necessary to meet the 120-hour university requirement.
