GROUP PIANO LESSONS

Piano for Children at MSU is a program for children ages six-and-a-half to ten years old. This introductory level is designed for students who have had no previous piano instruction. Classes will meet once a week for 55 minutes. A total of eight classes will be held on Thursdays from September 23 to December 2 from 5:00 to 5:55 p.m. in the Fain Fine Arts Center, room B124.

REQUIREMENTS

All children must be between six-and-a-half and ten years of age. All children are required, at minimum, to have simple sentence reading skills and know basic numbers. Students with special capacities or disabilities must contact the instructor prior to enrollment. Practice outside of class time is needed. All students are required to have, or have regular access to, a piano, electric piano, or keyboard by the second week of instruction. With the exception of the Piano Loan Program, MSU does not provide pianos or practice facilities for children outside of class time. It is strictly prohibited for children to practice at Midwestern State University facilities at times other than class time.

PIANO LOAN PROGRAM

A limited number of keyboards will be made available to children needing an instrument for practice. Assignments will be made based on need and upon request. A refundable \$100 fee is required to participate in the Piano Loan Program.

ENROLLMENT & FEES

The non-refundable tuition and registration fee for all classes is \$100, due by September 20, 2021. Students will be enrolled for the entire period of instruction from September to December. Placement will be limited to ten students on a first come, first served basis. Additional materials not included in the fee may be needed, such as paper, pencils, and books.

INSTRUCTOR

Dr. Martin Camacho, Dean of Lamar D. Fain College of Fine Arts at MSU, will serve as the main coordinator. In addition to being a distinguished international classical pianist and winner of 18 national and international piano competitions, Dr. Camacho has over 22 years of experience in the instruction of piano for children.
