

Institution Name: Midwestern State University
Program Type: Radiography
Degree Type: Bachelor's

Program Effectiveness Data

The following is the most current program effectiveness data. Our programmatic accreditation agency, the Joint Review Committee on Education in Radiologic Technology (JRCERT), defines and publishes this information. More information is available on the [JRCERT Program Effectiveness Data webpage](#).

Credentialing Examination

The number of students who pass, on the first attempt, the American Registry of Radiologic Technologists (ARRT) certification examination, or an unrestricted state licensing examination, compared with the number of graduates who take the examination within six months of graduation. The five-year average benchmark established by the JRCERT is 75%. Rate = number passed on first attempt divided by number attempted within 6 months of graduation.

Year	Passed on First Attempt	Attempted Within 6 Months	Credentialing Examination Rate
2021	39	45	87%
2022	30	31	97%
2023	45	54	83%
2024	36	45	84%
2025	47	52	90%
5-Year Average	197	227	87%

Job Placement

The number of graduates employed in the radiologic sciences compared to the number of graduates actively seeking employment in the radiologic sciences within twelve months of graduating. The five-year average benchmark established by the JRCERT is 75%. Rate = number employed divided by number actively seeking employment within 12 months of graduation.

Year	Employed	Actively Seeking Employment	Job Placement Rate
2021	42	42	100%
2022	30	30	100%
2023	45	45	100%
2024	30	43	70%
2025	28	43	65%
5-Year Average	175	203	86%

Program Completion

The number of students who complete the program within the stated program length. The annual benchmark established by the program is 70%. Rate = number graduated divided by number who started the program.

Year	Graduated	Started the Program	Annual Completion Rate
2025	47	52	90%
