ST. GEORGE'S UNIVERSITY on the Caribbean island of GRENADA

ST. GEORGE'S UNIVERSITY

# Spice of Life

**WELCOME!** Study on the Caribbean island of Grenada, known as the Island of Spice. This small island nation boasts an abundance of locally grown spices such as nutmeg and a vibrant “spice of life” culture of food and music. Grenada is also known for its pristine beaches, crystal clear waters, and rainforest. From colonialism to democracy, the island has an intriguing history and culture that blends traditions from European, South American, and African nations.

## EARN MSU CREDITS

Earn three credit hours by enrolling in Global Health and Wellness (HSHS 1013). This course is designed for pre-med students and health care majors. You will gain an understanding of how the global community is affected by changes in economic, political, and social factors.

## ACADEMIC PROGRAM

St. George's University, a medical, veterinary, and arts and sciences school, will be our base of operations, providing classroom space, learning laboratories, and housing for students and faculty. MSU faculty will teach all of our classes and they will be complemented by guest lecturers from St. George's University and site visits to health and wellness facilities around the island.

Classes will meet five days a week with some free time on the weekends. Program staff will plan social weekend activities for students as part of the program. You will travel in a group accompanied by MSU faculty and staff. The program will last approximately 17 days including travel time, and will take place late May through early June.

## PROGRAM COST INCLUDES

- Travel: Round trip airfare from DFW to Grenada and coach transfers
- MSU tuition and fees
- Lodging at SGU
- Weekend catamaran cruise
- Meals (2) during opening and closing event
- Limited SGU shuttle service around local area

*Remaining meals and personal expenses will be the student's responsibility.*

## FINANCIAL AID

All MSU Texas students accepted into the program will receive a scholarship from the Office of International Education. Traditional financial aid (grants/loans) is available through the Office of Financial Aid. Learn more at [mwsu.edu/finaid](http://mwsu.edu/finaid) or call 940-397-4214.
