Questions?

Instructional Enhancement Fee Policy Update

by

Marilyn Fowlé

Original Travel Policy

Student travel expense when presenting at conferences or on field trips; travel expense for the supervision of students enrolled in practica or internships at field-based training facilities; travel expense for the supervision of student field trips when part of a course in which students earn semester credit hours; travel expense of faculty to teach at a location other than their assigned location.

Additional Travel Update

Professional development for faculty related to the improvement of teaching or maintenance of licensure/certification required by programmatic accrediting agencies to qualify the faculty member to teach in his/her discipline. This includes registration, travel expenses, and accommodations for discipline specific meetings, workshops, clinics, etc.
