Virtual Information Sessions

Throughout the academic year, MSU will host regular virtual information sessions to all interested high school and transfer students. The sessions will provide information about MSU and the application process, including admission criteria that is different this year due to the Covid pandemic.

The first two sessions are scheduled for the following dates:

- **Thursday, September 3 @ 6:00-6:45pm**
- **Thursday, October 1 @ 6:00-6:45pm**

Students can sign up to attend at www.msutexas.edu/admissions/virtual-sessions.php. Please make your students aware of these information sessions so they can sign up to attend and learn more about MSU Texas.

Mustangs Rally is Going Virtual

The MSU Texas Mustangs Rally open house is still on for Saturday, October 24 but it will be in a virtual format instead of on-campus. We are currently in the midst of deciding what the content of the virtual open house will be so students can obtain as much information about MSU as possible and we will update you soon with more details.

Online registration will open in September 2020 at www.msutexas.edu/admissions/mustangs-rally.php.

MSU Texas is Test Optional for 2021-2022

MSU Texas has decided to be test optional for student applicants this upcoming year. As a result, students applying for the 2021-2022 academic year will have the option to submit their SAT/ACT scores or choose to be evaluated only on their curriculum and GPA.

Students must still meet any state requirements such as the Texas Success Initiative (TSI) but their applications for admission to MSU Texas will be reviewed based on their choice to submit test scores. As a result, there are multiple pathways for admission this year.

Please visit www.msutexas.edu/admissions/requirements.php to view the specific pathways for admission.

VC2MSU Bridge Program

MSU Texas and Vernon College have developed a partnership resulting in the VC2MSU Program. This bridge program provides freshmen applicants, who may have been denied in the past, an opportunity to live on the MSU Texas campus with their peers while taking the majority of their classes at Vernon and one class per semester at MSU.

Once the student earns 18 transferable credits from both institutions combined, they will be able to continue classes at MSU until graduation.

The VC2MSU inaugural class began in fall 2020 with great feedback from students and we plan to continue offering the program for future Mustangs in the upcoming years.

To learn more about the VC2MSU Bridge Program, visit www.msutexas.edu/admissions/vc2msu-bridge-program.php.
