General Merit Scholarship Deadline Reminder

The **fall** freshmen deadline for MSU Texas is April 1, 2021. Please remind any students that are scholarship candidates to complete their application prior to the deadline. A complete file for scholarship consideration consists of the application, application fee, high school transcript, AND test scores.

While the university is test score optional for admission, SAT/ACT scores are still required for scholarship consideration.

Round Up Week

Virtual Junior Night

MSU Texas is hosting a virtual Junior Day event on the evening of Monday, April 26 @ 6:30pm. While in a non-Covid world we would host a face-to-face event on campus during the day, we thought a virtual event online would be better in the evening so the time has changed for this year only. We hope to move back to the face-to-face, on-campus events next year.

At this event exclusively for high school juniors, students will receive the following:

- Admissions presentation
- Guided virtual tour that allows for questions from students
- Current MSU Texas student panel where students can hear directly from their peers

Please let your juniors know about this event so they can sign up and learn more about the MSU Texas experience. Students can sign up at <https://msutexas.edu/admissions/junior-day.php>.
