MSU Texas Scholarship Deadline

MSU Texas has changed the freshmen deadline for general merit scholarships. The deadline for students to be admitted to MSU Texas and be considered for general merit scholarships is now **March 1, 2023**. Please share this information with your prospective MSU Texas students since this deadline is a month earlier than previous years.

Additionally, any student that is a recipient of a general merit scholarship must have a FAFSA or TASFA on file with the MSU Texas Financial Aid Office. General merit scholarships will not disburse to students without a FAFSA or TASFA on file therefore it is vitally important that students submit their appropriate financial aid application to MSU Texas.

The MSU Texas general merit scholarship deadline for transfer students has not changed, and remains **July 1, 2023**.

Students will have an opportunity to:

- meet with faculty and staff as well as current students
- see on-campus housing

- learn about steps to apply or next steps post-admission
