6,000 Average Enrollment
18:1 Student-to-Faculty Ratio
255 ACRES on Campus
LIVE, LEAD & LEARN

With more than 6,000 students, MSU Texas is small enough to really get to know your classmates and professors, yet large enough to give you the full college experience. You will never lack for involvement or activity on campus.

At MSU, we encourage you to succeed while letting you be yourself.
The MSU Texas Advantage

Midwestern State University is the ONLY public liberal arts school in Texas. What does that mean?

That means when you earn your degree from MSU you have earned a well-rounded education that has prepared you for a variety of careers – not a single career path. And that’s important because studies show that an average person will make a career change approximately 5-7 times during his/her working life.

A liberal arts education provides you with critical thinking, communication, and team-working skills that today’s employers are seeking, as well as a solid foundation to pursue an advanced degree.
Only school in Texas to become a member of the Council of Public Liberal Arts Colleges (COPLAC)
This is NOT your parents’ college dormitory!

Spacious floor plans, semi-private layouts, study lounges, living rooms, and computer labs will make you feel right at home.

**Legacy Hall:** Our newest co-ed residence hall for freshmen/sophomores

**Killingsworth Hall:** Freshman/sophomore female residence hall

**Pierce Hall:** Freshman/sophomore male residence hall

**McCullough-Trigg Hall:** Freshman/sophomore co-ed residence hall

**Sunwatcher Village/Sundance Court:** Apartment units typically reserved for upperclassmen

Learn more about your housing options at [mwsu.edu/housing](http://mwsu.edu/housing).
There are many paths to student success, and the living-learning communities at MSU are one way to enhance your experience inside and outside of the classroom. When you enroll in a living-learning community, you have access to faculty, staff, and programming that is unique to each program’s interest area.

There are seven programs available:
- First Generation
- Business
- PLUGGED-IN (Nursing)
- Wellness & Recreation
- Redwine Honors
- Transfer
- SOAR

Learn more at mwsu.edu/housing/Living-Learning-Communities.
Jump right into the flurry of activities available at MSU Texas. You will find your perfect balance of academic opportunities, social interaction, and exciting cultural events.

14 Nationally Affiliated FRATERNITIES & SORORITIES

25 Recreational SPORTS

100+ STUDENT Organizations

mwsu.edu/student-life
Not far from the residence halls is the Redwine Student Wellness Center. The center features cardio machines, free weights, an indoor track, group fitness rooms, a fully equipped gymnasium, aquatics center, and sand volleyball pits.

mwsu.edu/student-life/wellness-center

The Vinson Health Center is housed next to the Student Wellness Center and provides acute care services, such as diagnosis and treatment of general medical illnesses, certain immunizations, women’s health, and minor procedures such as casting and splinting, and laceration treatment. The Center is accredited by the Accreditation Association for Ambulatory Health Care, Inc.

THE MUSTANGS SIGN

Bend your middle and ring fingers and press to your thumb to form the head of the mustang. Keep your index and pinkie fingers straight for the ears. And there you have the official Mustangs sign!
At MSU, you will receive a university education that will make a big difference in your lifetime earning potential. The result of earning your diploma is a readiness for tomorrow’s job market with skills that are transferable from one career path to another as our global economy shifts. Higher order thinking skills are demanded of tomorrow’s graduates, and MSU’s certifications and accreditations assure you of a relevant and well-rounded education.
EURECA
Enhancing Undergraduate Research Endeavors & Creative Activities (EURECA) promotes and facilitates undergraduate research. In this program, students have the opportunity to explore, create, discover, think critically, and express their potential as independent thinkers. The cornerstone of this program is the strong mentoring and collaborative partnership between our students and faculty. At the conclusion of the program, students share their research experience/creative activities at either the annual fall or spring forum. Student researchers receive stipends up to $2,000 during the semester in which they are working on their project.

mwsu.edu/eureca

STUDY ABROAD
You won’t know until you go! Our study abroad program offers you an opportunity to see the larger world. Immerse yourself in a culture or language, or study a specific discipline to compare the difference in models. And along the journey, you are sure to learn more about yourself.

mwsu.edu/academics/studyabroad

PRIDDY SCHOLARS PROGRAM
MSU and The Priddy Foundation have partnered to offer a program for outstanding students who are the first in their immediate families to attend a four-year university. Students selected as Priddy Scholars receive full tuition and residential funding. They engage in a year-long service learning project to benefit nonprofit organizations in the Wichita Falls community, take part in high-impact practices in career exploration and undergraduate research, and participate in a study abroad opportunity during their four-year degree plan.

mwsu.edu/priddyscholars

PRESIDENT’S DISTINGUISHED SCHOLARS
Each year the university recognizes the leadership abilities of superior incoming freshmen and encourages their participation as MSU campus leaders.

mwsu.edu/scholarships

REDWINE HONORS PROGRAM
The honors program is designed to bring about the best in academically talented students through an enriched core curriculum and upper-level interdisciplinary courses.

mwsu.edu/academics/honors
Our professors love to teach, and most of your classes will be taught by professors who are distinguished in their fields. Whether you need help with calculus or an art project that challenges your creativity, you will be surprised how often your professors are available and eager to help. Our low student-to-faculty ration of 18:1 allow professors to know you by your name – not a number.

Number of UNDERGRADUATE PROGRAMS
STEM learning opportunities are at the forefront of education as employers are seeking qualified individuals who will direct and influence some of the nation and world's most challenging issues both today and in the future. MSU's College of Science and Mathematics will provide you with the knowledge and skills for a lifetime of learning as well as an understanding of the world in which you live and comprehension of advancements in science, mathematics, and engineering.
Adaptability, innovation, and creativity are essential for success, and in the Dillard College of Business Administration, the focus is to prepare you for a successful career in a dynamic global business environment. Lifelong learning and the ability to analyze and critically evaluate problems and opportunities are central to the college’s mission.
With an emphasis on classroom learning and hands-on training that nurtures creativity, students from the Lamar D. Fain College of Fine Arts graduate prepared for the workforce or professional studies. They leave with a deeper understanding of self and the world in which they live.
As a student in the Gunn College of Health Sciences & Human Services you will learn from faculty who are engaged in their disciplines and leaders in their fields. Our programs are well-established, accredited, and incorporate learning in state-of-the-art laboratories and in area facilities that will provide outstanding clinical/field training education.
Through general education courses in the modern languages, literature, history, philosophy, and the social and behavioral sciences, the Prothro-Yeager College of Humanities & Social Sciences will prepare you for future success in a rapidly changing world of globalization and specialization. At the same time the college promotes a general awareness of and appreciation for the cultural heritage and aesthetic values of our civilization.
The classroom will be your laboratory as you gain knowledge and put that knowledge to the test in real-world applications. Whether you seek a career in education or any of the fields that share our college, you will walk away with the knowledge, experience, and confidence to step into a role as a leader in your field.

GORDON T. & ELLEN WEST COLLEGE OF Education
The cost of college varies from student to student even at the same university. For the most current tuition estimates, refer to mwsu.edu/tuitionandfees.

For more information visit mwsu.edu/finaid.

**Mustangs Guarantee Program**

is offered to new MSU students who have not previously received a baccalaureate degree. To qualify for consideration students must:

- Be Texas residents
- Qualify for Pell eligibility
- Have a family combined annual adjusted gross income of $50,000 or less.

The Mustangs Guarantee Program will cover the remaining balance of any tuition and mandatory fees for 15 or more credit hours each semester for up to four academic years (summer terms and non-MSU enrolled hours are not included) that are NOT covered by other grants, scholarships, exemptions, benefits, and/or waiver programs received by the student.*

*In accordance with NCAA rules, current and prospective student-athletes will be offered awards on an individual basis; certain forms of assistance, such as those offered through the Mustangs Guarantee Program, may not be awarded to a student-athlete.

**Lock in your tuition rate!**

MSU’s flat-rate tuition plan guarantees that you will see NO increases in tuition when you enroll for 12 consecutive semesters.
### Average Net Price
The average annual net price is for federal financial aid recipients – after aid from the university, state, or federal government. This is the average annual cost for in-state students.

### SPECIAL OUT-OF-STATE RATE
Oklahoma residents can take advantage of a reduced tuition rate. Neighboring adjacent counties to Texas can attend MSU at the Texas resident rates and non-neighboring residents pay only $30 per semester credit hour above Texas resident rates.

All other non-Texas residents receive a reduced tuition of $65 per semester credit hour above Texas resident rates. The special tuition rate does not apply to international students.

### GET STARTED

#### ADMISSIONS CHECKLIST
- Apply online at [www.applytexas.org](http://www.applytexas.org).
- Pay application fee. *(Nonrefundable and nontransferable)*
- Submit official SAT/ACT test scores to MSU.
  - MSU codes: SAT 6408, ACT 4132
- Submit official high school transcript.
  - Official high school transcripts must include STAAR/TAKS scores.
- Submit official college transcript(s) if applicable.
- Apply for financial aid by completing the FAFSA online at [fafsa.ed.gov](http://fafsa.ed.gov).

#### FRESHMAN ADMISSION REQUIREMENTS
SAT/ACT test scores must be received directly from the College Board and/or ACT or be on an official high school transcript.

- MSU will super score SAT test results but only within the same version of the test; no super scoring will occur between old and new versions.

Successful completion of one of the following high school curriculum plans:
- Recommended High School Program
- Advanced High School Program
- Distinguished Achievement Program on the Foundations Plan
- Texas Foundations Plan plus an Endorsement

Students who have not successfully completed one of the curriculum programs above must show successful completion of a high school curriculum that is equivalent in content and rigor or satisfy College Readiness Benchmarks.

Students who did not successfully complete one of the above curriculum plans AND who have not met the College Readiness Benchmarks may complete the HB 3826 Exemption Form and submit for review.

#### TRANSFER ADMISSION REQUIREMENTS
- Minimum of 18 college-level transferable credit hours
- Cumulative GPA of 2.0 on all transfer work*

*If you have fewer than 18 credit hours, you must meet freshman admission requirements to be admitted.

#### PRIORITY APPLICATION DEADLINES
- Fall: March 1
- Spring: November 1
- Summer I: May 1
- Summer II: June 1
