LIVE, LEAD & LEARN

With more than 6,000 students, MSU Texas is small enough to really get to know your classmates and professors, yet large enough to give you the full college experience. You will never lack for involvement or activity on campus.

At MSU, we encourage you to succeed while letting you be yourself.
Only school in Texas to become a member of the Council of Public Liberal Arts Colleges (COPLAC)
The MSU TEXAS ADVANTAGE

Midwestern State University is the ONLY public liberal arts school in Texas. What does that mean?

That means when you earn your degree from MSU you have earned a well-rounded education that has prepared you for a variety of careers – not a single career path. And that’s important because studies show that an average person will make a career change approximately 5-7 times during his/her working life.

A liberal arts education provides you with critical thinking, communication, and team-working skills that today’s employers are seeking, as well as a solid foundation to pursue an advanced degree.
This is NOT your parents’ college dormitory!

Spacious floor plans, semi-private layouts, study lounges, living rooms, and computer labs will make you feel right at home.

**Legacy Hall:** Our newest freshman/sophomore residence hall  
**Killingsworth Hall:** Freshman/sophomore residence hall  
**Pierce Hall:** Freshman/sophomore residence hall  
**McCullough-Trigg Hall:** Freshman/sophomore residence hall, suite-style  
**Sunwatcher Village/Sundance Court:** Apartment units typically reserved for upperclassmen

There are many paths to student success, and the living-learning programs at MSU are one way to enhance your experience inside and outside of the classroom. When you enroll in a living-learning program, you have access to faculty, staff, and programming that is unique to each program’s interest area.

There are several programs available, including:

- Priddy Scholars
- Transfer Students
- Redwine Honors
- Business
- Math and Science
- Education
- Fine Arts
- Health Sciences & Human Services

Welcome to MSU Texas!
Not far from the residence halls is the Redwine Student Wellness Center. The center features cardio machines, free weights, an indoor track, group fitness rooms, a fully equipped gymnasium, aquatics center, and sand volleyball pits. msutexas.edu/student-life/wellness-center

The Vinson Health Center is housed next to the Student Wellness Center and provides acute care services, such as diagnosis and treatment of general medical illnesses, certain immunizations, women’s health, and minor procedures such as casting and splinting, and laceration treatment. The Center is accredited by the Accreditation Association for Ambulatory Health Care, Inc. msutexas.edu/healthcenter
THE MUSTANGS WAY

In 23 years as a member of NCAA Division II, the Mustangs have claimed 13 regional championships, 51 conference titles, and an individual national champion. Midwestern boasts 113 NCAA postseason appearances from 12 different programs as an NCAA Division II member. The Mustangs compete in the Lone Star Conference.

THE MUSTANGS SIGN

Bend your middle and ring fingers and press to your thumb to form the head of the mustang. Keep your index and pinkie fingers straight for the ears. And there you have the official Mustangs sign!
At MSU, you will receive a university education that will make a big difference in your lifetime earnings potential. The result of earning your diploma is a readiness for tomorrow’s job market with skills that are transferable from one career path to another as our global economy shifts. Higher order thinking skills are demanded of tomorrow’s graduates, and MSU’s certifications and accreditations assure you will receive a relevant and well-rounded education.
STUDY ABROAD

You won’t know until you go! Our study abroad program offers you an opportunity to see the larger world. Immerse yourself in a culture or language, or study a specific discipline to compare the difference in models. And along the journey, you are sure to learn more about yourself.  
msutexas.edu/academics/study-abroad

EURECA

Enhancing Undergraduate Research Endeavors & Creative Activities (EURECA) promotes and facilitates undergraduate research. In this program, students have the opportunity to explore, create, discover, think critically, and express their potential as independent thinkers. The cornerstone of this program is the strong mentoring and collaborative partnership between our students and faculty. At the conclusion of the program, students share their research experience/creative activities at either the annual fall or spring forum. Student researchers receive stipends of up to $2,000 during the semester in which they are working on their project.  
msutexas.edu/eureka

PRIDDY SCHOLARS PROGRAM

MSU and The Priddy Foundation have partnered to offer a program for outstanding students who are the first in their immediate families to attend a four-year university. Students selected as Priddy Scholars receive full tuition and residential funding. They engage in a year-long service learning project to benefit nonprofit organizations in the Wichita Falls community, take part in high-impact practices in career exploration and undergraduate research, as well as participate in a study abroad opportunity during their four-year degree plan.  
msutexas.edu/priddyscholars

REDWINE PRESIDENTIAL SCHOLARSHIP

Each year the university recognizes the leadership abilities of superior incoming freshmen and encourages their participation as MSU campus leaders.  
msutexas.edu/scholarships

REDWINE HONORS PROGRAM

The honors program is designed to bring about the best in academically talented students through an enriched core curriculum and upper-level interdisciplinary courses.  
msutexas.edu/academics/honors
Our professors love to teach, and most of your classes will be taught by professors who are distinguished in their fields. Whether you need help with calculus or an art project that challenges your creativity, you will be surprised how often your professors are available and eager to help. Our low student-to-faculty ratio of 17:1 allows professors to know you by your name – not a number.
STEM learning opportunities are at the forefront of education as employers are seeking qualified individuals who will direct and influence some of the nation and world’s most challenging issues both today and in the future. McCoy College of Science, Mathematics & Engineering will provide you with the knowledge and skills for a lifetime of learning as well as an understanding of the world in which you live and comprehension of advancements in science, mathematics, and engineering.
Adaptability, innovation, and creativity are essential for success, and in the Dillard College of Business Administration the focus is to prepare you for a successful career in a dynamic global business environment. Lifelong learning and the ability to analyze and critically evaluate problems and opportunities are central to the college’s mission.
With an emphasis on classroom learning and hands-on training that nurtures creativity, students from the Lamar D. Fain College of Fine Arts graduate prepared for the workforce or professional studies. Students leave with a deeper understanding of self and the world in which they live.
As a student at Gunn College of Health Sciences, you will learn from a faculty made up of leaders in their fields who are fully engaged in their disciplines. Our programs are well-established, accredited, and incorporate learning in state-of-the-art laboratories in our new 87,000-square-foot health facility. Our partnerships with industry leaders provide opportunities that will advance your career, setting you apart from the competition.
Through courses in the modern languages, literature, history, philosophy, and the social and behavioral sciences, the Protho-Yeager College of Humanities & Social Sciences will prepare you for future success in a rapidly changing world of globalization and specialization. At the same time the college promotes a general awareness of and appreciation for the cultural heritage and aesthetic values of our civilization.

GORDON T. & ELLEN WEST
COLLEGE OF
Education

The classroom will be your laboratory as you gain knowledge and put that knowledge to the test in real-world applications. Whether you seek a career in education or any of the fields that share our college, you will walk away with the knowledge, experience, and confidence to step into a role as a leader in your field.
GET STARTED

ADMISSIONS CHECKLIST

- Apply online at applytexas.org.
- Pay application fee of $40. (Nonrefundable and nontransferable)
- Submit official SAT/ACT test scores to MSU. Optional for 2021-2022 academic year
  • MSU codes: SAT 6408, ACT 4132
- Submit official high school transcript.
  • Official high school transcripts must include STAAR scores.
- Submit official college transcript(s) if applicable.
- Apply for financial aid by completing the FAFSA online at fafsa.ed.gov.
- Once admitted, upload meningitis vaccination records to Magnus SMR, if age 21 or younger. msutexas.edu/admissions/meningitis

FRESHMAN CURRICULUM REQUIREMENTS

For the 2021-22 academic year, submission of SAT/ACT scores is optional. If you choose to submit your test scores, they must be received directly from the College Board and/or ACT or be on an official high school transcript.

MSU will super score SAT test results but only within the same version of the test; no super scoring will occur between old and new versions.

Successful completion of one of the following high school curriculum plans:
- Recommended High School Program
- Advanced High School Program
- Distinguished Achievement Program on the Foundations Plan
- Texas Foundations Plan plus an Endorsement

Completion of Algebra II in high school is strongly suggested.

Students who have not successfully completed one of the curriculum programs above must show successful completion of a high school curriculum that is equivalent in content and rigor or satisfy College Readiness Benchmarks.

Students who did not successfully complete one of the above curriculum plans AND who have not met the College Readiness Benchmarks may complete the HB 3826 Exemption Form and submit for review. msutexas.edu/admissions/requirements

TRANSFER ADMISSION REQUIREMENTS

- Minimum of 18 college-level transferable credit hours
- Cumulative GPA of 2.0 on all transfer work*

*If you have fewer than 18 credit hours, you must meet freshman admission requirements to be admitted.

PRIORITY APPLICATION DEADLINES

Fall: March 1
Spring: November 1
Summer I: May 1
Summer II: June 1

**Mustangs Guarantee Program** is offered for students whose family combined annual adjusted gross income is $65,000 or less. The program covers the remaining balance of any tuition and mandatory fees for 12 or more credit hours each semesters that are not covered by other forms of free aid. For more details and to see if you qualify visit msutexas.edu/finaid/m-guarantee.

**FINANCIAL AID**

To apply for financial aid at MSU, students must submit the FAFSA at www.FAFSA.ed.gov. The Title IV code for MSU is 003592.

FAFSA priority deadlines:

- Summer: April 15
- Fall/Spring: January 15
- Fall Only: January 15
- Spring Only: October 1

For more information visit msutexas.edu/finaid.

---

**DARE TO COMPARE**

**Average Net Price**

The average annual net price is for federal financial aid recipients – after aid from the university, state, or federal government. This is the average annual cost for in-state students.

- **Midwestern State University**: $10,764
  - University of Texas at Arlington: $12,410
  - Stephen F. Austin University: $12,951
  - West Texas A&M: $13,185
  - University of North Texas: $13,609
  - Sam Houston State University: $13,666
  - Tarleton State University: $17,707

Source: College Affordability and Transparency Center College Scorecard, June 2021

**SPECIAL OUT-OF-STATE RATE**

Oklahoma residents can take advantage of a reduced tuition rate. Neighboring adjacent counties to Texas can attend MSU at the Texas resident rates and non-neighboring residents pay only $30 per semester credit hour above Texas resident rates.

All other non-Texas residents receive a reduced tuition of $65 per semester credit hour above Texas resident rates. The special tuition rate does not apply to international students.

**Lock in your tuition rate!**

MSU’s flat-rate tuition plan guarantees that you will see NO increases in tuition when you enroll for 12 consecutive semesters.

*Enjoy a private university experience at an affordable public university price. At Midwestern State University, more than 79% of our students receive financial aid assistance. We want to help you avoid the heavy debt common at some universities.*
