Helpful Hints for Using D2L at MSU

- ✓ Access your online class through the MSU Portal <https://my.msutexas.edu/web/mycampus/home>
- ✓ Do not use Internet Explorer. Firefox, Chrome, or Safari work best. Most issues are browser related. If you encounter technical issues, submit an Online Problem Report located in D2L Or email us at D2Lhelp@msutexas.edu
- ✓ If you have an exam due late at night, we recommend you take it early the first time. That way there will be someone available to assist.
- ✓ Do not take quizzes/exams on your phone. Use a computer. Occasionally phone exams do not submit.
- ✓ Remember technology is similar to Murphy's Law. If it can go wrong, it probably will. So be prepared.
- ✓ The Distance Education Staff are here to help make sure you have a successful semester.
