## Senate Bill 1210

Effective **Fall 2014**, the Texas Legislature passed Senate Bill 1210 which requires Texas state exemption and/or waiver recipients to meet MSU's Financial Aid Satisfactory Academic Progress (SAP) requirements and for males to have met selective service registration requirement. These SAP requirements include:

- ✓ A cumulative grade point average (CGPA) for Undergraduate and 2nd Baccalaureate must be 2.0, Graduate must be 3.0, and Teacher Certification must be 2.5; AND
- ✓ if you are in Excess Hours status, you may not be eligible for some exemptions.

If your Cumulative GPA is not meeting the SAP requirement, as indicated above, and/or you have exceeded the excess hours rule, you will not be eligible to receive your exemption and/or waiver for the Summer 2020 terms.

**SB 1210 Appeal form:** <http://www.msutexas.edu/Assets/documents/busoffice/SAPAppeal.pdf>

## Tuition for Repeated Hours

Following action by the 78th Texas Legislature, universities no longer receive formula funding for semester credit hours attempted by a student who has enrolled in any course(s), other than non-degree-credit developmental course(s), containing the same content three or more times since the Fall semester 2002. The Texas Higher Education Coordinating Board has determined that the following types of coursework are exempt from this provision: courses that involve different or more advanced content each time they are taken, including but not limited to, individual music lessons, theater practicum, music performance, ensembles, certain physical

education and kinesiology courses, and studio art; independent study courses; and special topics and seminar courses. In accordance with Senate Bill 1782 certain exceptions may apply for students who had 50 semester credit hours successfully completed at an institution of higher education before a 24 month break in enrollment.

Students will be assessed an additional tuition charge of \$150 per semester credit hour for courses taken at MSU for the third (or more) time since Fall semester 2002.

### Tuition for Excess Hours Beyond Degree Requirements

The Texas Legislature established that universities will not receive funding for students entering higher education in Fall 1999 or later or who exceed 45 semester hours above the degree requirements. For students entering Fall 2006, this limit is 30 hours above the degree requirements. Effective Spring 2013, the Board of Regents has determined that MSU will assess an additional tuition charge of \$150 per semester credit hour for excess semester credit hours in which students enroll above these limits. To avoid being charged extra tuition, students should be aware of the number of credit hours required for their degree programs and avoid taking excess hours. Numerous drops, withdrawals, and change of degree programs can also affect this status. In accordance with Senate Bill 1782 certain exceptions may apply for students who had 50 semester credit hours successfully completed at an institution of higher education before a 24 month break in enrollment.

#### Scholarships

A student who has been awarded an MSU scholarship will have the full amount of the scholarship applied as an account credit toward payment of tuition and fees AFTER the student has accepted the scholarship award in WebWorld. If a scholarship has been awarded from an outside organization, MSU must receive the check before credit will be applied to the student account; otherwise, the student should be prepared to make the required payment at the time of registration and will be reimbursed when the scholarship check is received. If the scholarship is not available at registration, check with the person, program, or organization awarding the scholarship.

<u>Term</u>	<u>Registration Period</u>	<u>E-Bill Sent</u>	<u>Payment Due</u>
May Mini	April 6 – May 18	No	May 18
Summer I	April 6 – May 14	Yes	May 29
Summer I	May 20 – May 31	No	May 29
Summer II	April 6 – June 28	Yes	July 6
Summer II	June 29 – July 5	No	July 6

Students can make payment 24 hours a day, 7 days a week by logging into <https://my.msutexas.edu/> and clicking on the Touchnet link. This is an immediate posting to the account and eliminates standing in line. Payment is due by the above dates whether or not a student receives an E-Bill. It is the student’s responsibility to have a valid email address on file.

### Withdrawal and Dropped Class Refunds

**Withdrawal procedure:** Students who decide not to remain enrolled must contact the Student Affairs office to invalidate (void) their class schedules if it is *prior to the semester beginning* or to withdraw if it is after the semester has begun. Student Affairs office is located in the Clark Student Center, room 108, or call 940-397-7500.

A Student must drop a course within the **first 4 class days** of a summer term to be eligible for a refund of applicable tuition and fees for the course dropped.

Withdrawal and Dropped Class Refund Schedules are located at:

<https://msutexas.edu/busoffice/wd-schedule.php>

Refunds of tuition and fees will be made by check or e-refund to the student. This policy will apply in all cases where the original source of the payment was from non-university funds.
