

Account Settings

To view your account settings, from the D2L home page, click your name in the top right corner and select account settings.

Under the first tab, **Account Settings**, you can change many options. **Font Settings** will allow you to change the size of the font for D2L. **Reading Content** give you the choice to automatically mark items as read as the page scrolls. By default, it is on; check the box to turn it off. **Video Settings** allows you to ensure assistive technologies, like screen readers, can detect videos.

Reading Content

Some tools automatically mark content as read as you scroll it into view. If you use an assistive technology such as a screen reader then you may wish to disable this feature by checking the box below.

Video Settings

This setting ensures assistive technologies can detect videos. As a consequence, videos will overlap menus. It does not influence the accessibility of specific players.
