BETTER BUSINESS BUREAU/DR. LOUIS J. RODRIGUEZ ETHICS SCHOLARSHIP

Webster's New World Dictionary defines ethics as "the study of standards of conduct and moral judgment" and "the system or code of morals of a particular person, religion, group, profession, etc." The mission of the Better Business Bureau system is to promote and foster the highest ethical relationship between business and the public through voluntary self-regulation, consumer and business education, and service excellence.

In 1999, the BBB Educational Foundation joined together with MSU's College of Business Administration in establishing the Better Business Bureau/Dr. Louis J. Rodriguez Ethics Scholarship. Seldom does one find an individual who accomplished so much for a university and, in turn, gave so generously to his community. Dr. Rodriguez epitomized what ethics is all about, as he was a living example.
