

Verification of Unusual Enrollment History 2024-2025

Our records indicate your 2024-2025 Free Application for Federal Student Aid (FAFSA) has been flagged for “Unusual Enrollment History” review by the U. S. Department of Education. You have received Federal Pell Grant or Federal Direct Loan funds at multiple educational institutions during the review period of **2020-21 and 2021-22 and 2022-23 and 2023-24**; therefore, Midwestern State University is required to review your enrollment history to determine if you received academic credit at each of these institutions and/or whether or not you are enrolled only long enough to receive cash refunds of federal student aid. Please know that, in the process of reviewing your enrollment history, MSU will check National Student Loan Data System (NSLDS) to obtain a complete history including the name of institutions you have attended and the dates of attendance. If you have questions, contact us promptly at financial-aid@msutexas.edu so your financial aid will not be delayed. **Your application for financial aid will not be considered until you submit this completed form and all required documentation to the MSU Financial Aid Office.**

This form and documentation may be FAXED to the MSU Financial Aid Office at 940-397-4852.
Or, you may MAIL this form and documentation to: MSU Financial Aid Office, 3410 Taft Blvd., Wichita Falls, TX 76308
