

Education Resources

Primo

Search ***Everything*** to access Moffett Library's resources from a single search box -- including books, journals, articles, media, databases, and digital resources! Primo allows you to save queries, organize saved items in folders, and select similar articles using ***Recommendations***.

Recommended Resources

Education Source

Offers the world's largest and most complete collection of full-text education journals, and encompasses international array of English-language periodicals, monographs, yearbooks and more.

Educational Administration Abstracts

includes bibliographic records covering areas related to educational administration, including educational leadership, educational management, educational research, and other areas of key relevance to the discipline.

ERIC

A bibliography of educational materials available since 1966 from both journals and other resources designed for teachers, students, administrators, and researchers. ERIC has 2 parts; citations from journals (EJ) and research syntheses, conference papers, technical reports, and policy papers that are not published (ED) The database includes the ERIC thesaurus: complete lists of descriptive terms used by ERIC to index and search the database. Citations and abstracts from educational and education-related journals are included.

Professional Development Collection

Designed for professional educators, provides a highly specialized collection of high quality education journals. This database also contains educational reports.

Other Resources

Academic Search Complete

Database of peer-reviewed academic journals containing full-text articles, abstracts, and indexing from scholarly publications. The journals offered cover such areas as social sciences, humanities, education, computer sciences, and engineering.

America's Newspapers

The electronic editions of record for valuable ***LOCAL***, regional, and national U.S. newspapers. Each paper covers local and regional news, including companies, politics, sports, industries, cultural activities, and people in the community. Includes Wichita Falls Times Record News since 1998.

Cabell's Education Set

The Educational Set includes the directories in Educational Curriculum & Methods, Educational Psychology & Administration, Educational Technology & Library Science.

LearnTechLib (formerly EdiTLib)

The Digital Library is the premiere online resource for aggregated, peer-reviewed research on the latest developments and applications in Educational Technologies and E- Learning.

Essay and General Literature Index (H.W. Wilson)

This unique reference database cites records contained in collections of essays and miscellaneous works published in the United States, Great Britain and Canada.

Mental Measurements Yearbook with Tests in Print

Provides users with a comprehensive guide to contemporary testing instruments and contains information essential for a complete evaluation of test products within such diverse areas as psychology, education, business, and leadership.

PSYCINFO

Contains citations and summaries of journal articles, (some full text) book chapters, books, technical reports, and dissertations in the field of psychology and psychological aspects of related disciplines, such as medicine, psychiatry, nursing, social work, education, pharmacology, physiology, linguistics, anthropology, business, and law from 1887 to the present.

TeachingBooks.Net

TeachingBooks.net is an easy-to-use website that adds a multimedia dimension to the reading experiences of children's and young adult books. The online database is developed and maintained to include thousands of resources about fiction and nonfiction books used in the K to 12 environment, with every resource selected to encourage the integration of multimedia author and book materials into reading and library activities.

WorldCat

Bibliographic records for books, manuscripts, computer data files, maps, computer programs, musical scores, films and slides, newspapers, journals, sound recordings, magazines, videotapes. This powerful database searches the collections of all the member libraries of OCLC. A direct link to the Interlibrary Loan system makes it easy to check on availability and order items that are not available in our collection.

Databases for Elementary / High Schools

Children's Literature Comprehensive Database

Children's Literature Comprehensive Database provides reliable one search access to all important and relevant information about Pre K-12 media of all types, including reviews from respected publications for those professionals who work with Pre K-12 media.

Kids Search

This search is designed especially for youth in grades K-5.

Primary Search

Designed specifically for elementary school libraries and public library children's departments; contains full text for popular, elementary school magazines. All full text articles are assigned a reading level indicator (Lexiles).

In addition to the full text, this database offers indexing and abstracts for magazines.

Middle Search Plus

Contains full text for popular, middle school magazines with articles assigned a reading level indicator (Lexiles). Full text is also available for thousands of biographies, historical essays and student pamphlets. Additionally, Middle Search Plus contains primary source documents, reference books, and an Image Collection of photos, maps and flags.

MAS Ultra: School Edition

Designed specifically for high school libraries, this comprehensive database contains full text for popular, high school magazines with articles assigned a reading level indicator (Lexiles). Full text is available for biographies and primary source documents. The MAS Ultra™ (School Edition) contains reference books, an Image Collection of photos, color PDFs and expanded full text backfiles for key magazines.

Texas Reference Center

Includes full text journals and books about Texas history, ethnic & cultural diversity, gender studies, literature, public health, business as well as home & garden and sports & leisure. The database contains biographies portraying famous historical and contemporary Texans such as George Herbert Walker Bush, and Lady Bird Johnson.
