

The following compliance calendar was created to assist the Compliance Partners and Cognizant Policy Officers in carrying out their duties as related to the compliance obligations of the University. The calendars include the laws, operating policies, rules, and regulations for a specific compliance area and aid in tracking the myriad reporting requirements and due dates. Compliance Partners shall assist the Cognizant Policy Officers in training the MSU community which may include informal staff meetings and monitoring through regular walk-around or continuous observation while managing a designated compliance area.
