MIDWESTERN STATE UNIVERSITY
NOTICE OF FILING UNDER THE DEPARTMENT OF LABOR’S PERMANENT LABOR CERTIFICATION PROGRAM

An application concerning the employment of one or more alien workers for the following permanent position will be filed with the Department of Homeland Security. This Notice of Filing will be posted for 10 consecutive business days, ending between 30 and 180 days before filing the permanent labor certification application.

POSITION TITLE:  Associate Professor, Mechanical Engineering

POSITION DUTIES: Teach graduate and/or undergraduate students in mechanical engineering, advise students, and engage in scholarly and other professional activities normally expected of university faculty members. Courses taught may include any and all areas of the mechanical engineering undergraduate curriculum, including but not limited to: Engineering Graphics, Statics, Mechanics of Solids, Engineering Computation, Numerical Methods, Thermodynamics, System Dynamics, and Mechanical Vibrations. The position will teach Classical Control at the senior level, and will teach and advise undergraduate research and/or senior design projects applying advanced topics such as optimal, nonlinear, and distributed parameter system controls. In addition, the position will teach joint labs for both mechanical and electrical engineering students using Allen Bradley SLC 5/05 PLC trainers, and RSLogix 500 and Panel View 550 HMI programming software. Applicants must hold a Doctoral Degree in Mechanical Engineering, and must be committed to a career in undergraduate teaching, research and service. Preference will be given to candidates with Control Systems background and expertise.

POSITION REQUIREMENTS: Must hold a Doctoral Degree in Mechanical Engineering, and must be committed to a career in undergraduate teaching, research and service. Preference will be given to candidates with Control Systems background and expertise.

LOCATION OF EMPLOYMENT: 3410 Taft Boulevard, Wichita Falls, TX 76308

TO APPLY: Email resume to: dawn.fisher@msutexas.edu

This notice is provided in compliance with 20 CFR 656.10(d). Any person may provide documentary evidence bearing on the application to the Certifying Officer of the U.S. Department of Labor holding jurisdiction over the location of the proposed employment. Contact information for the Certifying Officer with jurisdiction over the location of this proposed employment is:

U.S. Department of Labor Employment and Training Administration
Office of Foreign Labor Certification
200 Constitution Avenue NW, Room N-5311
Washington, DC 20210

This notice is being provided to workers in the place of intended employment by the following means:
Posting a clearly visible and unobstructed notice, for at least ten (10) consecutive business days at the workplace, where the employer’s U.S. workers can readily read the posted notice, including but not limited to locations in the immediate vicinity of the wage and hour notices; AND publishing the notice in any and all in-house media, whether electronic or printed, in accordance with the normal procedures used for the recruitment of similar positions in the employer’s organization.
