ADDENDUM TWO

Reference: Request for Proposal #735-16-8171 Bridwell Courts Staircase Replacement & Repairs

TO WHOM IT MAY CONCERN:

This letter serves as Addendum Two to the above referenced RFP. The following shall be included as part of the specifications.

1. Scope of Work, item 2: The title, "Southwest staircase", shall be replaced with "Southeast staircase".
2. Scope of Work, item 2(j): Besides the areas currently identified as being cleaned and repainted, contractor shall remove corrosion, prime and paint the area due south of the staircase on the bottom side of the walkway. Area is ~9' long by ~6' wide.
3. Alternate #2: Replace items 1(a) through (g) with the following tasks:
 - a) Demo ALL existing treads from the northwest staircase.
 - b) Fabricate new treads and install on the existing staircase stringers. Treads shall be cleaned, primed, and painted (match existing) PRIOR to placing concrete in them.
 - c) Include the installation of the nosing for each tread (anchors to be buried in concrete).
 - d) Pour concrete into each tread.
 - e) Paint stringers, handrails, and ornamental metal tubing on the upper portion of the staircase so the entire staircase has new paint. Clean and prime areas that are not fully adhered prior to painting.
 - f) The installation shall duplicate the existing installation to the extent possible. If there are areas which cannot be duplicated identically, contractor to notify Owner for approval of modified installation need.
4. Owner is seeking the most economical solution to repairs to the northwest staircase. If complete replacement as described in the original SOW section 1 is less expensive than replacing just the treads as described in Alternate #2, the bid for the lesser priced method shall be submitted (instead of both).

All communications concerning this bid can be found on the Midwestern State University Purchasing web page located at the following Link: <http://mwsu.edu/purchasing/>

If you have any questions please contact me.

Thank You.

Sincerely,

Lori Case
