TO WHOM IT MAY CONCERN:

Please note the following answers to questions submitted prior to the close of last day for questions:

1. Can we please get a copy of the previous bid tabulations?  
Unfortunately, we are not allowed to give that information out. We will, however, note the awarded vendor. You can request a bid tabulation via a public information request to our Marketing & Public Information Office.

Averages around 1600 gallons per delivery
3. Can we please get the tank sizes by products at the location listed?  
Please see Addendum 1
4. Do you typically order both products at one time?  
Most deliveries are only for unleaded
5. Are the estimates listed on pg. 8 the annual usage for said products listed?  
Yes
6. Do you own the current tanks?  
Yes
7. Can we please get a copy of a current invoice with backup provided by your current supplier?  
Again, for confidentiality purposes, we cannot forward copies of vendor's invoices.

If you have any questions, please email or give me a call.

Sincerely,
