3410 Taft Boulevard Wichita Falls, Texas 76308-2099

## ADDENDUM ONE

March 12, 2018

TO WHOM IT MAY CONCERN

The below statements are minutes made to the Pre-Bid meeting held for the RFP #735-18-8199 parking lots replacement. Please review for the bid on the above referenced RFP,

1. Sheets 6 and 7 include installation of seven new light poles and fixtures. Contractor shall remove the existing poles/fixtures per the demo drawing and save the fixtures (poles to be disposed of by contractor). These fixtures along with ten others supplied by the Owner shall be used on the new light poles supplied by the contractor who will install them. Supply of new light pole fixtures by the contractor are NOT in this contract. Supply of the poles IS the contractor's responsibility.
2. Note 3 on sheet 3 states the contractor is responsible for all aspects of maintaining a safe work site. Installation of fencing is noted, although not clearly defined. As Alternate 2, bidder shall provide pricing for the installation of ~6' tall chain link temporary fencing around the entire construction zone. (Students WILL walk through the site if it is not protected.)
3. To clarify, Alternate 1 is the price to construct the Mustangs Walk portion of the project shown on the western end of lot 6N. If budget allows for the construction of Mustangs Walk, it will be included as part of the lot 3 and 6N purchase order to the same contractor.
4. See attached new created Bid Sheet.

If you have any questions please contact me at 940-397-4110 or [stephen.shelley@mwsu.edu](mailto:stephen.shelley@mwsu.edu).

Thank You

  
Steve Shelley  
Director of Purchasing/Contract Management
