## ADDENDUM ONE (1)

RE: RFP 735-19-4310 IDIQ for Exercise Equipment Maintenance & Repair Services

TO WHOM IT MAY CONCERN,

**Please note the updated equipment list is part of this addendum and supersedes the equipment list found on pages 13 & 14 of the RFP. Please use this updated list when submitting your proposal.**

The following questions had been received prior to the last day for questions deadline and received the following responses.

- Is there access to a bid tab sheet from the last bid? [This information is not available as this is the first solicitation we've done regarding this scope of work.](#)
- The equipment list appears to be missing ellipticals, bikes and spin bikes, along with any other cardio like steppers? It makes a note on page 11 about Arc Trainers(ellipticals) and Keiser Spin bikes. In the past there were upright and recumbent bikes also? Please let me know.  
[A portion of the equipment list was inadvertently left out of the RFP. The updated equipment list is part of Addendum 1 and supersedes the equipment list found on pages 13 & 14 of the RFP. Please use this updated list when submitting your proposal.](#)

Please be sure to acknowledge this addenda on Appendix D (Addenda Checklist).
