RE: RFQ 735-19-4316 IDIQ Civil Engineering Services

TO WHOM IT MAY CONCERN,

The following questions had been submitted and received the following responses.

- I wanted to know if you could tell me the firms who have served previously under this IDIQ? [The current IDIQ for Civil Engineering Services runs through the end of the current fiscal year \(August 31, 2019\). Corlett, Probst & Boyd PLLC and GTO Engineering currently provide services under this IDIQ.](#)
- The last time you went out for this RFQ, how many submissions did you receive? [We had \(6\) respondents.](#)
- Page 1 of the RFQ states that the SOQ should be submitted via e-mail and Page 3 states that Qualification Statements are to be mailed or hand delivered. Please clarify how we should submit our SOQ.  
[Page 1 should read, "The respondent shall submit one original response via e-mail."](#)  
[Page 3 should read, "Qualifications are to be e-mailed to:](#)
