ADDENDUM TWO (2)

RE: RFQ 735-19-4316 IDIQ Civil Engineering Services

TO WHOM IT MAY CONCERN,

The following questions had been submitted and received the following responses.

- We were hoping for clarification on the vendor references page you would like submitted with the proposal. Usually we provide business references when asked to provide vendor references, but it says "Please list three current customers who can verify the quality of service your company provides." Are you wanting client/customer references? **Yes**.
