ADDENDUM TWO (2)

RE: RFQ 735-19-4323 Nursing Equipment for New HSHS Building

TO WHOM IT MAY CONCERN,

The following questions had been submitted and received the following responses.

1. If there are terms and conditions Vendor may not be able to agree to will the University consider exceptions to terms and conditions? **We can discuss terms once a vendor/vendors have been selected for award.**
2. Since this is for a New Health Center will the vendor need to work with a construction company to make deliveries?

The vendor will coordinate with the university and facilities services for delivery of the equipment to campus and then to the building

3. Will the items need to be unpacked and assembled or only delivery is required?

Any equipment requiring assembly will need to be assembled by the vendor

4. Is there any installation requirements for any of these items?

Equipment to be delivered and, if necessary assembled by the vendor

Due to the late posting of this Addendum, the bid closing date has been extended and scheduled to close September 5, 2019 @ 2:00 pm CT.

The deadline for questions has now passed. No additional questions will be accepted at this time.
