## ADDENDUM TWO (2)

RE: RFP #735-19-8215 Utility Tunnel Repairs - A Tunnel

TO WHOM IT MAY CONCERN:

The following questions had been received prior to the last day for questions deadline and received the following responses (Questions are in **black**/responses are in **red**):

- Due to the proximity of the Sidewalk Removal and Tunnel Excavation, portions of the adjacent roadway along Council Drive will need to be closed off in order to perform the work.  
Will this be acceptable as necessary to perform such activities?

Yes, but the contractor will need to minimize the duration of the road closure as much as reasonably possible.
