ADDENDUM ONE (1)

RE: RFP 735-20-4332 Redwine Water Heater Replacement Project

TO WHOM IT MAY CONCERN,

The following questions had been submitted and received the following responses.

- Would you please tell me what the estimated cost range is for the "Redwine Water Heater Replacement Project - Midwestern State University" project? **Response: Estimates are not available at this time, however, please be advised the need for bonds if the cost is over \$100K.**
- Can we submit multiple bids (bid Lochinvar, per request, and an alternative manufacturer?) **no**
- What is the gas pressure to the location and to the water heaters? **3psi**
- What size is the existing gas line to water heaters? **1 ¼**
- What is the accessibility to site? **spots will be reserved for contractors**
- Will contractor remove and dispose of old water heaters? **Yes**
- How many days will be allotted for the job? (how long can the site be without hot water?) **prefer no more than 14days**
- Is 200 gallons minimum required storage capacity for both water heaters together (100 gallons each, minimum)? **1 tank, 200 gallon min.**
- When do you anticipate the job to be completed? **Work can start on 5-18-20 complete no later than 6-12-20**

The deadline for questions has now passed. No additional questions will be accepted at this time.

Regards,

Joseph J. Mrugalski Jr.
