ADDENDUM ONE (1)

RE: RFP 735-21-7010 Admissions Communication Flow Services

TO WHOM IT MAY CONCERN,

The following question was submitted and received the following responses.

I know the bid says no substations, however I wanted to make sure that you are aware of the recall on the victory units. Victory Recall Info That said, we have some of the victory units in stock and can get access to more to complete the order, however would you be open to alternatives? We would rather keep the same sprayers and not accept alternatives, as it appears the Victory recall only applies to units sold between January 2016 and November 2020 and there is a solution provided by the manufacturer.

Please remember to acknowledge this addendum on the Addenda Checklist.

Regards,

Phillip King
